

EEO Utilization Report

Organization Information

Name: Fort Bend County

City: Richmond

State: TX

Zip: 77469

Type: County/Municipal Law Enforcement

Step 1: Introductory Information

Policy Statement:

Fort Bend County applies positive employment practices designed to ensure the full realization of equal employment opportunities (EEO) to all employees and applicants for employment without regard to:

Race, color, religion or creed, sex, sexual orientation, gender, gender identity, gender expression, pregnancy status, (including childbirth and related medical conditions), national origin, ethnicity, citizenship status, age (40 and over), physical or mental disability, genetic information, protected military and veteran status, political affiliation or beliefs, or any other classification protected by state, federal and local laws, unless such classification is a bona fide occupational qualification.

This policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, discharge, pay, fringe benefits, layoff, recall, transfer, and training. Improper interference with an individual's ability to achieve or maintain employment based on a protected status is prohibited.

For further information on Fort Bend County's practices to ensure Equal Employment Opportunity, please visit the County's website or contact the Human Resources Department.

Step 4b: Narrative of Interpretation

A utilization analysis of the workforce of Fort Bend County Governmental departments indicates underutilization of minorities and women in several categories. The focus of this plan will be on the largest areas of under-utilization; however, Fort Bend County welcomes the chance to increase the representation of all minority groups. Areas of focus will include:

- Hispanic or Latino Males in the categories of Officials Administrators (-10%), Technicians (-8%), Protective Services: Sworn Patrol Officer (-6%), Administrative Support (-3%), Skilled Craft (-27%);
- Black Males in the categories of Protective Services: Sworn - Officials (-19%), Administrative Support (-3%);
- Asian Males in the categories of Officials Administrators (-7%), Professionals (-7%), Technicians (-5%), Administrative Support (-5%), Skilled Craft (-3%);
- White Females in the categories of Officials Administrators (-4%), Professionals (-4%), Protective Services: Sworn - Patrol Officers (-4%), Protective Services: Non - Sworn (-21%), Skilled Craft (-2%), Service Maintenance (-10%);
- Hispanic or Latino Females in the categories of Protective Services: Sworn - Patrol Officers (-8%), Protective Services: Non-Sworn - Patrol Officers (-7%), Service Maintenance (-10%);
- Black Females in the categories of Protective Services: Sworn - Officials (-7%), Protective Services: Sworn Patrol Officers (-5%), Service Maintenance (-8%);
- Asian Females in the category of Technicians (-3%), Protective Services: Sworn Patrol Officers (-4%), Administrative Support (-2%), Service Maintenance (-6%);

Note: Protective Services Non-Sworn also shows a significant under-utilization of White Females and Hispanic or Latino Females. This category is primarily composed of civilian detention officers and juvenile detention officers, and the male/female ratio is based on the detention centers inmate populations.

Step 5: Objectives and Steps

1. Ensure equal employment opportunities for White and Hispanic or Latino Females, when our organization fills vacancies that become available, in the areas of underutilization noted in Step 4b above. We will:

- a. Increase recruitment efforts and participate in virtual and in-person recruiting Fairs at local High Schools, colleges and churches with high Female populations, including University of Houston, Houston Community College and Wharton County Jr. College.
- b. Examine the training and promotional practices to ensure White and Hispanic or Latino Females are given equal opportunity to succeed within the Official/Administrator, Professionals, Technicians, Protective Services Non-sworn, Skilled Craft and Service Maintenance categories.
- c. Evaluate all aspects of the selection process for positions in this job category and determine if any barriers exist to Equal Employment Opportunity.

2. Ensure equal employment opportunities for Hispanic or Latino Males when our organization fills vacancies that become available, especially in the areas of underutilization noted in Step 4b above. We will:

- a. Evaluate all aspects of the selection process for positions in this job category and determine if any barriers exist to Equal Employment Opportunity.
- b. Seek candidate referrals from current Hispanic and Latino Employees for future job openings.
- c. Evaluate applicant data to ensure the County is attracting a sufficient pool of qualified Hispanic and Latino applicants in these job categories. Use this data to determine which recruitment methods have been effective and target this population in our recruitment efforts.
- d. Participate in virtual and in-person recruiting Fairs at Houston Community College, Texas State Technical College and Wharton County Jr. College, and any other college campuses that have high minority enrollments and offer skilled/craft trainings and recruit at area local churches.

3. Ensure equal employment opportunities for Black or African American Males and Females, when our organization fills vacancies that become available, especially in the areas of underutilization noted in Step 4b

above. We will:

- a. Meet with the officials of Fort Bend County law enforcement offices to review selection processes and determine if any barriers exist to equal employment opportunity.
- b. Evaluate means of encouraging Black or African American males and females in the category of Protective Services Non-sworn, to obtain the necessary training and certification to transfer into Protective Services Sworn positions when possible.
- c. Continue to participate and increase recruitment efforts with predominantly Black or African American Men and/or Womens groups, colleges and churches with predominantly minority populations.
- d. Use data available from applications on file to determine which recruitment methods have been most effective in reaching Black or African American Applicants.
- e. Continue virtual and in-peron recruiting efforts with High School criminal justice groups and Junior ROTC programs with high minority populations.

4. Ensure equal employment opportunities for Asian Males and Females when our organization fills vacancies that become available, especially in the areas of underutilization noted in Step 4b above. We will:

- a. Continue use of Recruitment Sites and Associations targeting Asian candidates such as the National Association of Asian American Professionals and the United States Pan Asian American Chamber of Commerce.
- b. Continue to participate in virtual and in-person Recruiting Fairs at the local Asian and Chinese Community Centers and local High Schools, Colleges and Universities.
- c. Examine the training and promotional practices to ensure Asian Males and Females are given equal opportunity to succeed within the Official/Administrator, Professional, Technicians and Administrative Support and Skilled Craft categories.

Step 6: Internal Dissemination

1. The EEOP Report will be posted on the Fort Bend County Intranet, which the employees can access.
2. All employees will be notified of the posting by e-mail and through the Fort Bend County Employee Newsletter.
3. All employees will be informed that a copy of the EEOP Report can be obtained on request from the Human Resources Office.
4. A copy of the EEOP Report will be sent to all Department Heads, Managers, Supervisors and Elected Officials for dissemination to their employees and for their files.

Step 7: External Dissemination

1. The EEOP Report will be posted on the Fort Bend County Employment Webpage.
2. Fort Bend County will post on their Employment Webpage that the County is committed to be Equal Employment Opportunity Employer and that the EEOP Report is available on request for review.
3. Human Resources will make copies available in the lobby of the Human Resources for Public examination.
4. Copies of the EEOP Report will be made available at the Fort Bend County Libraries for the Public examination.
