LIBRARIES AND EDUCATION

The Activity of Libraries and Education consists of only one department, the Library. Therefore 100% of Libraries and Education Salaries and Personnel costs belong to the Library. The Fort Bend County Library System consists of its main library in Richmond, George Memorial Library, and several branch libraries including, Albert George Branch in Needville, Bob Lutts Fulshear/Simonton, First Colony Branch, Mamie George Branch in Stafford, Missouri City Branch, Katy/Fort Bend Branch, the Sugar Land Branch, and the Sienna Branch Library. The Library system is adding a new library branch this year. The University Branch Library is currently under construction. The Law Library is also operated under the direction of the Fort Bend County Library Director, however, the Law Library is funded through court fees in lieu of taxes.
