OBJECTIVE

Fort Bend County's continued growth along with our current economic issues impacts this court's facilities and staff. While court activity has increased dramatically over the past four years, the number of court personnel and the number of courts have remained the same. With growth comes an increased filing of criminal and juvenile matters by the State of Texas, an increased filing of civil and probate matters, and an increase of pro se litigants. All of which require hearings and the court's attention.
