MENTOR PROGRAMS

Detention Mentoring

122 Golfview Drive Richmond, TX 77469

Adult volunteer mentors from the community are recruited, screened and trained to provide visitation to juveniles in the Fort Bend County Juvenile Probation Detention Center. The juveniles chosen to receive a mentor are usually those that:

- do not have anyone coming to visit them
- are going to be there longer than average
- just need one-to-one visits

This program is designed for mentors to provide support, listen and encourage the juvenile while they are being detained in the detention center. Visits occur in the center at designated times.

One-To-One Mentoring

Fort Bend County Zip Codes

Adult volunteer mentors from the community are recruited, screened and trained and carefully matched by gender with youth currently involved with the juvenile probation department.

These juveniles are between the ages of 10 and 17 and are living in their home.

Each week, the mentor will offer one-to-one support and encouragement by participating in activities such as: talking at the park, playing sports, going to the movies, having dinner or going to the library. This program provides the juvenile an opportunity to spend quality time with a positive adult role model.

Our mission is to deter or reduce youth involvement with the juvenile justice system.

FORT BEND PARTNERSHIP FOR YOUTH, INC.

This non-profit operates as an auxiliary organization for the probation department by financially supporting a variety of programs and projects, including many in the Special Programs Unit.
