Do you or a veteran you know suffer from hunger?

Meals for Vets works to eliminate
hunger for military veterans in Texas.
We serve veterans who have low or no
income and are not eligible for free
meals through other means.

- Veterans under age 60 who are denied meals due to the Older Americans Act.
- Student veterans who struggle financially.
- Veterans over 60 who reside outside local home delivery areas, require special diets, or are on wait lists due to the meal providers' lack of funding.

How to receive meals free-of-charge:

- If you served in the military for 180 days or more, contact us by phone or website.
- Complete an application that we send to you and return it with your DD214 and proof of income.
- Once we receive your qualifying documentation, a local or national meal provider will be authorized for meal delivery or meals in a group setting.
