

FORT BEND COUNTY ENGINEERING

301 Jackson Street, Suite 401 Richmond, Texas 77469

281-633-7500

Driveway/Turn Lane Permitting Guidelines

- Apply online at www.mygovernmentonline.org
- Plans must show location and dimensions of driveway/turn lane being installed
 - If part of a commercial development, please attach signed civil drawings obtained through the Development department. If no signatures have been obtained, please contact the Development department at 281-633-7500 to begin approval process
 - If in a subdivision/residential area no signed plans are required
 - Residents or those who are Ag-exempt in rural areas seeking a driveway over a roadside ditch must contact Road and Bridge at 281-342-4513 for driveway permit and installation
 - All driveway permit applications must include a traffic control plan
- An original bond must be submitted along with the permit application, bond forms can be found under Letters & Forms tab on Fort Bend County Engineering website
 - Performance bonds cover one specific project and must be \$5,000 per driveway
 - Cashier's Check made out to Fort Bend County may be substituted for Performance Bond
 - Perpetual bonds must be \$50,000 minimum and can cover simultaneous projects being done within the Fort Bend County Right-Of-Way(includes driveways)
- Fees
 - \$150 per driveway/turn lane
