March 20, 2020

Dear Fort Bend County Residents:

Today, I asked all Fort Bend County Department Heads and Elected Officials to determine which employees are essential during this emergency and to allow all other employees to remain at home effective Monday, March 23, 2020 until April 3, 2020.

All Department Heads and Elected Officials are encouraged to arrange for employees remaining at home during this period to work from home if possible. We wish to assure continued delivery of essential County services, which are defined by law in the Texas Government Code.

If you have questions about County services, please contact the department or office whose services you require directly or call (281) 633-7795 if you are unsure whom to contact. Each department and office will also provide information on its webpage, which you can navigate to from www.fortbendcountytexas.gov.

On a personal note, I am deeply appreciative of the outpouring of kindness and support that Fort Bend County residents have shown each other and county employees during this trying time. We are experiencing a global crisis that has many unknowns. However, if each of us continues to do our part over the coming months by practicing compassion for our neighbors and respect for their health, we will overcome this struggle together. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "KP George".
