

FORT BEND COUNTY

Permits for the Construction of Driveways & Culverts on County Easements and Right of Ways in Fort Bend County

SECTION 2 - GENERAL PROVISIONS

- A. Construction of driveways on roadways with open ditch sections, culverts, median openings or modifications to the median whenever applicable, or the replacement, repair, or extension of existing driveways, culverts or median openings on County or public easements or right of way without first securing a permit is prohibited.
- B. Applications for permits for the construction of single family residential on roadways with open ditch sections, or agricultural driveways, culverts, median openings or modifications to the median whenever applicable, or the replacement, repair, or extension of existing driveways, culverts or median openings on County or public easements or right of way shall be made to the Fort Bend County Road and Bridge Department, Crabb Service Center, 201 Payne Lane, P. O. Box 148, Richmond, Texas 77406-0148, Phone 281-342-4513, Fax 281-238-3635.
- C. Applications for permits for the construction of multifamily or commercial driveways, culverts, median openings or modifications to the median whenever applicable, or the replacement, repair, or extension of existing driveways, culverts or median openings on County or public easements or right of way shall be made to the County Engineer, P. O. Box 1449, 1124 Blume Road, Rosenberg, Texas 77471, Phone 281-633-7502 or 7503, Fax 281-342-7366.
- D. All permits issued by County Engineer or Road and Bridge Department for the construction of driveways, culverts or median openings or modifications on a County or public easement or right of way shall require conformance with these Requirements including Fort Bend County Engineering Department Construction Standards and Details and any subsequent amendments or revisions thereto.
- E. The County Engineer and Road and Bridge shall promulgate forms to be used in the administration of these Requirements.
- F. Permits shall provide that construction pursuant to the permit will be commenced within six months and be completed within nine months from the date of the permit and that fees collected for said permits shall not be refundable or transferable.
- G. Permits for the installation of driveways, culverts, or median openings or modifications must be obtained from the County Engineer or Road and Bridge prior to the start of construction.
- H. All permits which require a bond must be approved by Fort Bend County Commissioner's Court.
