3. Any objection or motion to exclude or limit expert testimony due to qualification of the expert or reliability of the opinions must be filed no later than seven (7) days after the close of the discovery period, or such objection is waived. Any motion to compel responses to discovery (other than relating to factual matters arising after the end of the discovery period) must be filed no later than seven (7) days after the close of the discovery period or such complaint is waived, except for the sanction of exclusion under Rule 193.6.

4. Any amended pleadings asserting new causes of action or affirmative defenses must be filed no later than thirty (30) days before the end of the discovery period and any other amended pleadings must be filed no later than seven (7) days after the end of the discovery period.
