

YOU'RE INVITED!

Virtual Public Meeting with In-Person Open House

Fort Bend County, in cooperation with the Texas Department of Transportation (TxDOT), invites you to a virtual public meeting with in-person open house. The purpose of this public meeting is to present the proposed project, engage with the community and gather feedback.

SH 99 from Highland Knolls/Bay Hill Boulevard to South Fry Road in Fort Bend County

The proposed project would add continuous two-lane frontage roads along sections of SH 99 between Highland Knolls/Bay Hill Boulevard and South Fry Road in Fort Bend County, Texas.

A section of frontage road would be constructed along SH 99 northbound from South Fry Road to Highland Knolls/Bay Hill Boulevard. Two additional sections of frontage road would be constructed along SH 99 southbound from (1) Highland Knolls/Bay Hill Boulevard to Cinco Ranch Boulevard and then (2) from Westheimer Parkway to South Fry Road. The proposed frontage roads, approximately three miles in length, would also include adjustments of ramp access locations, curb and gutter with storm sewer, and would provide an 8 to 10-foot-wide continuous shared-use path to accommodate bicycles and pedestrians. This proposed project's shared-use path would connect with the existing shared-use path from Highland Knolls/Bay Hill Boulevard to South Fry Road.
