

Fort Bend County Rental Assistance Program REOPENING 11/25/24

If you can answer YES to the following questions, you may qualify for rental and utility assistance!!

Are you a Fort Bend County (FBC) resident?

Are you behind on rent or facing eviction?

Are you behind on utility payments?

Is your household income below 80% of the area median income (AMI)?

We are here to assist you!

Grant funds can provide rental and utility assistance to low-income families, offering up to \$2,000 for rent or lease payments and up to \$500 for specific utilities. Both landlords and eligible households will benefit from access to case managers for application assistance and issue resolution, as well as direct payments to landlords and utility providers.
