

**PUBLIC NOTICE**  
**FORT BEND COUNTY COMMUNITY DEVELOPMENT DEPARTMENT**  
**FY 2019 CONSOLIDATED ANNUAL ACTION PLAN DRAFT**

To build and strengthen new partnerships with State and local governments and the private sector, the U.S. Department of Housing and Urban Development (HUD) requires a single consolidated submission for the planning and application aspects of the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) Programs.

The overall goals of the community development and planning programs covered by the Consolidated Plan are to strengthen partnerships with jurisdictions and to extend and strengthen partnerships among all levels of government and the private sector, including for-profit and nonprofit organizations, to enable them:

- to provide decent housing;
- to establish and maintain a suitable living environment; and
- to expand economic opportunities for every American, particularly for very low-income and low-income persons.

The purpose of the Consolidated Plan is to require the County to state in one document its plan to pursue these goals for all the community planning and development programs, as well as for housing programs. The FY 2015 Consolidated Plan serves the following functions:

1. A planning document for the jurisdiction, which builds on a participatory process at the lowest levels;
2. An application for federal funds under HUD's formula grant programs;
3. A strategy to be followed in carrying out HUD programs; and,
4. An action plan that provides a basis for assessing performance.

The Consolidated Plan Final Rule requires that local government jurisdictions submit to HUD five-year Consolidated Plans containing a housing and homeless needs assessment, a housing market analysis, a strategic plan, an action plan, and the required HUD certifications. The FYs 2015-2020 Consolidated Plan includes Fort Bend County's revised housing and homeless needs assessment and housing market analysis. The strategic plan sets forth program goals and specific objectives in a manner that helps local governments and citizens keep track of programmatic results.

The FY 2019 Consolidated Annual Action Plan includes the proposed projects to be funded during FY 2019, September 1, 2019 to August 31, 2020. These projects are listed below by program funding source. The recommended amount of funding for each project also is listed.
