A:

View a list of [filing fees](#) online or you may contact our office at 281-341-8665 for assistance. Pursuant to Local Gov. Code 118.053, filing fees shall be collected at the time the suit or action is filed. A:

Choose the code that is closest to the title of your document. The clerk will modify your selection to reflect the proper entry into the case management system if necessary.

How is a pleading handled that requires immediate attention (ex. Temporary Restraining Order)?

A:

Pleadings submitted using Filing Descriptions "Temporary Restraining Order..." will be processed as a priority. If signed, the clerk will enter the order under the appropriate filing code using the date signed by the Judge and will rescan into the case management system and may be viewed online.

My motion requires a hearing date and time (setting). How is that handled?
