## Can I file multiple documents in the same case? (ex. Motion and Unsigned Order or Additional Motions)

Yes, multiple documents in the same case may be filed in one envelope vs. multiple envelopes containing only one document. Each document must be submitted using the appropriate Filing Code and must have a "lead document" attached. (ex. Motion is a lead document; Unsigned Order is a separate lead document)

## How do I file identical documents into multiple criminal cases?

Each document will need to be E-Filed into each case separately.

## How do I file a Motion with an accompanying Proposed Order?

File the Motion by using filing code Motion and under the same envelope add another filing code by using filing code Proposed Order. See Example Below.

- Skip to the **Filings** section
- Select your **Filing Type** (whichever applicable)
- Select the **Motion** filing code
- Type in a Filing Description

Preload Documents > Case > Parties > **Filings** > Service > Fees > Summary

## What if I am filing a Motion to Substitute and I am the attorney being substituted in?

When filing a Motion to Substitute along with the Proposed Order, you will enter both documents into one envelope. DO NOT add yourself as an attorney. Once the Order is signed by the Judge, the District Clerk's Office will add the substituted attorney.

## What if I was appointed to represent the defendant and Odyssey isn't reflecting me as "Appointed"?

The Order Appointing Counsel packets are filed with our office by the Indigent Defense and are not always filed on the same date you were appointed. Please give the District Clerk's Office a few days to have Odyssey reflect you are appointed.
