

# FORT BEND COUNTY ENGINEERING

301 Jackson Street, Suite 401 Richmond TX 77469

281-633-7500

## Right-of-Way Permitting Guidelines

- **Apply online at [www.mgoconnect.org](http://www.mgoconnect.org)**
  - Plans must show site plan and scope of work being done in Fort Bend County Right-of-Way
  - Traffic control plan is required
  
- **An original bond must be submitted to 301 Jackson St, Richmond, Texas 4<sup>th</sup> Floor. Bond forms can be found under Permits > Right of Way and Driveway tab on Fort Bend County Engineering website.**
  - Performance bonds cover one specific project and must be \$5,000 minimum or 25% total project cost, whichever is higher
  - Perpetual Bond must be \$50,000 minimum and can cover simultaneous projects being done within Fort Bend County Right-of-Way
  - Cashier's Check made payable to Fort Bend County with completed W-9 may be substituted for Performance Bond
  
- Permit is valid for one year if none of the project has been started
