

605 - OUTSIDE EMPLOYMENT

**Section 605.01 County
Policy on Outside
Employment**

County employees shall be allowed to engage in employment outside of their County position provided such employment does not interfere with the performance of their County job, does not create a conflict of interest, or is prohibited by law. Employees engaging in outside employment shall be required to notify their elected official or department head prior to such employment except where the employment is occasional or casual. (See also Conflict of Interest Policy 602).
