Phase II for Fort Bend County**

Q&A #3

Question 1: Could you be so kind as to help us to see the difference between package 1 and 2 in terms of demolition, paving and sitework?

Answer: Bid Package 1 relates to parking lot only and Bid Package 2 relates to the balance of demolition required for Bid Package 2

Question 2: The specs call for a bunch of baseball/softball equipment however the plans show that none of it is in this bid package bidding on the 13th. The only thing I can see bidding is light pole padding, can you confirm?

Answer: Refer to Bid Package 3 and Bid Package 4.
