

**Bid 24-051 – Traffic Signal Installation at West Bellfort at Westmoor Drive
and at Binion Lane for Fort Bend County
Q&A #1**

Question 1: I didn't find bid items for the 8" Cement Stabilized Sand Subgrade or the 8" Concrete Pavement shown in sheets 15 and 16. Please advise.

Answer: The bid pricing form has two tabs, one for Westmoor Drive and one for Binion Lane. These two items are shown in the second tab for Binion Lane.
