

Fort Bend County
BID 23-008
Term Contract for Trophies for Summer Reading Program

Q & A #1

Question 1: Do you know the approx. quantity of the initial shipment?

Answer: 7,000 trophies

Question 2: Will the subsequent order be the remainder of the order, or will there be multiple orders over the course of this program?

Answer: There may be multiple orders over the course of the program – the amount will vary based on the number of youth completing the summer reading program which will last till August 31 each year. I may need to ask for a shipment within a turnaround of days if the number of youth completing exceeds what I have on hand. The awarded vendor may not deliver a quantity of more than the requested quantity.

Question 3: Will subsequent orders all deliver to the same George Memorial Library or multiple locations?

Answer: All deliveries are made to George Memorial Library at 1001 Golfview Drive only for the quantity requested from the Library.

Question 4: There is no “plate” of any kind on the base of these trophies, the 2” insert is the only personalization on these pieces, correct?

Answer: The 3 pieces to the trophy are the marble base, the trophy top and the label that goes on the trophy top. The pictures show what the trophy looks like and can be looked up on JDS Industries. There are 4 felt feet put on the bottom of the marble base. See attached pictures.

- Gifts & Engravables
- Sign Supplies

- Glass & Crystal
- Drinkware

- Acrylic Awards

- Sandcarving Supplies - Laserable Leatherette

2023
