RFQ 2017-12**

**Q & A #1**

Question 1: On the back of the property (east end) there is a 6 stand barbed wire fence in place right now along with a bunch of trees and brush growing through it. Is this fence going to be removed and cleaned and replaced with vinyl?

*Answer: No, that fence is not to be removed, due to the livestock on other side. The vinyl fence is to be placed in front of the current barbed-wire fence out of the brush and trees.*

Question 2: Is stone around 18' service gate to be removed by vendor?

*Answer: Yes.*

Question 3: What color is vinyl fence to be?

*Answer: White.*
