

FOCUS Youth Program

Fort Bend County Behavioral Health Services

Who We Are

The Fort Bend County Community Collaborative Program aims to build the strengths of partnering agencies to improve responses and outcomes to youth ages 10-17 years old with suspected mental illness and/or co-occurring mental illness and substance use, who are at-risk or currently involved in the juvenile justice system.

"It is easier to build strong children than to repair broken men."

- Frederick Douglass

What We Do

- Provide training on mental/behavioral health, crisis intervention & trauma-informed strategies
- Improve screening, assessment & connection to services for youth
- Identify and evaluate outcome measures of youth for continuous improvement
