Thank you for considering service on the Fort Bend County Clinical Health Services HIV/STI (FBCCHS HIV/STI) Prevention Program Community Advisory Board (CAB). At quarterly meetings, CAB members provide feedback on various topics to assist in guiding program activities; thus ensuring grant deliverables and the needs of the community are met.

We are very happy to have you consider joining. Most members find the experience professionally and personally enriching. Please respond to the following questions to help us understand your potential contribution and to help us maintain diversity. HIV+ individuals are encouraged to apply.
