COUNTY AUDITOR Fort Bend County, Texas

Robert Ed Sturdivant County Auditor

281-341-3769, 281-341-3744 (fax) sturdived@co.fort-bend.tx.us

March 31, 2009

To the Honorable District Judges, Members of the Commissioners Court, and Citizens of Fort Bend County, Texas:

According to Section 114.025 of the Local Government Code of the State of Texas, the County Auditor is required to submit an annual report to the Commissioners Court and District Judges of the County. This report is published to fulfill that requirement for the fiscal year ended September 30, 2008.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

Null Lairson, P.C., Certified Public Accountants, have issued an unqualified (or "clean") opinion on Fort Bend County's financial statements for the year ended September 30, 2008. The independent auditors' report is located at the front of the financial section of this report.

Management's discussion and analysis (MD&A) immediately follows the independent auditors' report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complements this letter of transmittal and should be read in conjunction with it.

PROFILE OF THE GOVERNMENT

Fort Bend County is located in the Houston metropolitan area of southeast Texas. It encompasses a total of 875.0 square miles (562,560 acres). The terrain varies from level to gently rolling with elevations from 46 to 127 feet above sea level, with an average elevation of 85 feet. US 59 traverses the center of the County from northeast to southwest, while US 90A crosses from east to west. State Highways (SH) 6, 36 and 99 provide important north-south routes. Neighboring counties are Austin, Brazoria, Harris, Waller and Wharton.

Fort Bend County has approximately 11 square miles of surface water in rivers, creeks and small lakes. The County is drained by the Brazos and San Bernard Rivers as well as Oyster Creek. The Brazos River formed a broad alluvial valley, up to ten miles wide in places. The resulting fertile soils have been a major contributing factor to the agricultural industry in the County. The three permanently floatable

waterways in Fort Bend County are the Brazos River, the San Bernard River south of Farm to Market Road 442, and Oyster Creek south of State Highway 6. The San Bernard River south of Interstate Highway 10 is a seasonally floatable waterway, shared on the west with adjacent counties. Soils vary from the rich alluvial soils in the Brazos River Valley to sandy loam and clay on the prairies. Native trees include pecan, oak, ash and cottonwood, with some old bottomland forests remaining along waterways.

The Commissioners Court is the governing body of the County, which is composed of the County Judge and four County Commissioners. It has certain powers granted to it by the state legislature. Its duties include the approval of the budget, determination of the tax rates, approval of contracts, calling elections, issuance of bonds, appointment of certain county officials, and the oversight responsibility of all the funds included in this report.

The County provides a full range of services to the citizens of the area. Among these services are public safety (sheriff, jail facilities, constables and fire marshal), road and bridge maintenance, drainage and flood control, health and welfare (ambulance paramedics, health and sanitation, indigent care, animal control, landfill, etc.), a seven-branch library system, county/district judicial systems, and other state-supported programs. In accordance with standards established by the Governmental Accounting Standards Board (GASB), the County reports all funds for which the County, as the primary government, is financially accountable. The Fort Bend County Drainage District, Fort Bend Flood Control Water Supply Corporation ("FBFCWSC"), Fort Bend Parkway Road District, Fort Bend Toll Road Authority, Fort Bend Surface Water Supply Corporation, and Fort Bend Housing Finance Corporation are considered to meet the criteria of component units. The Toll Road Authority, Surface Water Supply Corporation have been included in the report as discretely presented component units. The Drainage District, FBFCWSC, and the Road District have been included in the combining statements in other supplementary information, as they are treated as blended component units.

LOCAL ECONOMY

Fort Bend County has begun to experience the impact of the national economic slowdown. The impact of the slowdown is evident in the reduction in new home sales, a slightly lower increase in the labor force, and an increase in the unemployment rate. Although Fort Bend County is continuing to enjoy growth and prosperity, the Commissioners' Court is continuing to take a conservative approach to the allocation of resources to serve the County's needs to ensure that Fort Bend is prepared as the economical slow down continues. This ongoing conservative approach will not reduce the level of public services provided by the County to the residents.

LONG TERM FINANCIAL PLANNING AND RELEVANT FINANCIAL POLICIES

BUDGET

The County adopts a one-year budget through its fully coordinated financial planning process. The budget implements strategies, both financial and operational, identified through the strategic and long-range planning process to meet existing challenges and to effectively plan for future needs. The budget is a financial plan for a fiscal year of operations that matches all planned revenues and expenditures with the services provided the citizens of Fort Bend County based on the established budget policy. Decisions are not based solely on current conditions but on the long-term welfare of the community. The budget is developed and resources allocated based on the vision, mission, and goals of the County.

LONG TERM COMPREHENSIVE PLAN

The County's Long Term Comprehensive Plan outlines goals to be accomplished by the county through its various departments. Many of the specific goals have been met, but since all are long term, many are

still in the future. The County's departments are working hard to realize these goals on a continuing basis. We intend to achieve all the goals and objectives in the plan over time. These goals are as follows:

- Assure that the County is a safe and attractive place to live, work and play.
- Utilize state-of-the-art equipment and methods appropriately in the provision and timely delivery of authorized and allowed services.
- Provide the necessary support for mobility and transportation needs in the County.
- Promote a favorable environment for retaining and expanding existing businesses while attracting a wide variety of new businesses to provide employment opportunities.
- Support environmental concerns for preservation of natural and historic resources balanced with sensitivity to the needs of development and recreation.
- Encourage cultural development and ethnic diversity.
- Develop a quality, consumer sensitive, holistic approach to health and human services that keeps pace with the County's growth.
- Actively seek to increase and coordinate volunteerism and active citizen participation that strives for the good of the County as a whole.
- Work cooperatively with other governmental entities to complement their efforts.
- Operate the County government in the most fiscally responsible manner.
- Reorganize and consolidate departments under the direction of competent, trained senior managers who report to Commissioners Court.
- Regularly consider the decisions on behalf of the County with respect to the goals set forth in the plan. Review, update and amend the Plan on an annual basis.

CAPITAL IMPROVEMENT PROGRAM

The County maintains a multiyear Capital Projects Plan that includes two elements; facilities construction or remodeling, and mobility projects. Mobility projects include all projects not constructed by the Road and Bridge Department.

Under the facilities construction plan, all requested and anticipated construction projects are listed with annual costs of new personnel, furnishings, utilities, and other operating costs attached. Annually, the Commissioners Court select from the list of projects those to be accomplished during the current fiscal year and the capital outlay associated with those projects. These capital costs are budgeted within Capital Outlay and moved to individual project budgets within the parent fund as the projects develop, and current year operating costs are budgeted in the applicable departmental budget.

In June 2007, the County issued \$126.7 million in limited tax bonds for the construction of facilities. The largest of the facilities includes an expansion of the jail in the amount of \$80 million. The jail expansion is planned to be complete in July 2008. Other precinct facilities, annexes, and libraries are included and will be completed over the next two years.

Mobility Projects include projects accomplished in cooperation with other entities, including the Texas Department of Transportation and other entities within Fort Bend County. The County's portion of these projects is being funded by a bond issue approved in fiscal year 2000 for a total of \$87,000,000. These bonds were issued in three pieces with the first in 2001, the second in 2006, and the final in 2007. A new list of Mobility projects will be funded by a bond issue approved on May 12, 2007 in the amount of \$156,000,000. The first issuance is planned for May of 2009 for an estimated \$50 million with 2 additional issuances to follow in May 2010 and May 2011.

DEBT POLICY

The purpose of Fort Bend County's Debt Policy is to establish guidelines for the utilization of debt instruments issued by the County whether payable from County taxes or payable from certain revenues of the County. "Debt Instruments" may include general obligation tax bonds, revenue bonds, subordinate-

lien bonds, commercial paper, variable rate demand notes, variable rate auction notes, bond anticipation notes, revenue anticipation notes, tax anticipation notes and capitalized leases, as well as combinations of the foregoing. These Debt Instruments shall only be used to fund the lease, purchase or construction costs of capital assets, infrastructure improvements, and additions, to refund or defease existing debt, to fund capitalized interest, costs of issuance or to make deposits to reserve funds and other funds required or provided for in debt instruments. Debt Instruments will not be used to fund operating expenses except in extreme circumstances for very short terms. This policy will apply to all debt issued by the County or any district or authority where the Commissioners Court acts as the governing body. It also may apply to those entities over which the Commissioners Court to adopt this policy. This debt policy does not apply to debt issued by the Housing Finance Corporation, or similar agencies operating in Fort Bend County but responsible to another entity.

The County will ensure all uses of Debt Instruments are in compliance with all statutory requirements, and in accordance with the guidelines contained herein, outstanding ordinances, insurance covenants, and existing agreements. Further, the County will ensure that the utilization of any Debt Instrument provides the most prudent and cost-effective funding possible taking all material matters into account.

MAJOR INITIATIVES

Identified as a County goal several years ago, mobility remains as one of the top priorities as the County continues to grow and develop. With the major roadways already heavily congested, mobility has been, and continues to be, a primary concern. Continued residential and commercial expansion has increased the use of County roads. What were once little used rural roads are more heavily traveled due to the new developments. In addition, bridges, ditches and right-of-ways are requiring more attention.

Flood control continues to be a significant area of interest for citizens. The County has begun to take on a larger role in this area, both through the CIP and other planning efforts. The extension of the levee with Levee Improvement District #6 has been completed along Ransom Road. The extensions and improvements to Big Creek, Oyster Creek, and Clear Creek are ongoing projects.

AWARDS AND ACKNOWLEDGEMENTS

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Fort Bend County, Texas, for its Comprehensive Annual Financial Report for the year ended September 30, 2007. This was the nineteenth consecutive year that the County has received this prestigious award.

In order to be awarded a Certificate of Achievement, a governmental unit must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements, and we are submitting it to GFOA to determine its eligibility for another certificate.

In addition, the County also received the GFOA's Distinguished Budget Presentation Award for its annual budget document dated September 30, 2008. In order to qualify for the Distinguished Budget Presentation Award, the government's budget document must be judged proficient as a policy document, a financial plan, an operations guide, and a communications device.

The preparation of this report could not be achieved without the efficient and dedicated services of the staff of the County Auditor's Office and Null Lairson P.C., our independent auditor.

Respectfully submitted,

Robert E. Sturdivant, CPA County Auditor Fort Bend County, Texas

FORT BEND COUNTY MISSION STATEMENT

Fort Bend County strives to be the most family friendly community in Texas by providing a high quality, enriching and safe environment. Each department and elective office provides fast, friendly service to its customers and continually strives to be number one in efficiency and effectiveness. The Commissioners Court fulfills its leadership role by providing necessary resources to the offices and departments to accomplish their duties and goals, by establishing budgets, policies and procedures to make the most efficient uses of the resources and by actively pursuing quality businesses to locate in Fort Bend County.

Certificate of Achievement for Excellence in Financial Reporting

Presented to

Fort Bend County Texas

For its Comprehensive Annual **Financial Report** for the Fiscal Year Ended September 30, 2007

A Certificate of Achievement for Excellence in Financial Reporting is presented by the Government Finance Officers Association of the United States and Canada to government units and public employee retirement systems whose comprehensive annual financial reports (CAFRs) achieve the highest standards in government accounting and financial reporting.

FORT BEND COUNTY, TEXAS ORGANIZATION CHART

FORT BEND COUNTY AUDITOR'S OFFICE ORGANIZATIONAL CHART Auditor's Office

Independent Auditors' Report

To the Honorable Robert E. Hebert, County Judge and Members of the Commissioners Court Fort Bend County, Texas

We have audited the accompanying financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Fort Bend County, Texas, (the "County") as of and for the year ended September 30, 2008, which collectively comprise the County's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the County's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County, as of September 30, 2008, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated March 31, 2009 on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions or laws, regulations, contracts, and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report, which has been issued separately from this document, is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

To the Honorable Robert E. Hebert, County Judge and Members of the Commissioners Court Fort Bend County, Texas

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Fort Bend County, Texas' basic financial statements. The management's discussion and analysis, budgetary comparison information, and pension system information on pages 3 through 11 and 54 through 56, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The introductory section, combining and individual fund financial statements and schedules, as well as statistical tables are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual fund financial statements and schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory section and statistical tables have not been subjected to the auditing procedures applied in the audit of the basic financial statements taken as a whole. The introductory section and statistical tables have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

ull'Zaism, P.C.

March 31, 2009 Houston, Texas

As management of Fort Bend County (the "County"), we offer readers of the County's financial statements this narrative overview and analysis of the financial activities of the County for the fiscal year ended September 30, 2008. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal, which can be found on pages i-v of this report.

Financial Highlights

- The assets of the County exceeded its liabilities at the close of the most recent fiscal year by \$663.8 million (*net assets*). Of this amount, \$42.3 million (*unrestricted net assets*) may be used to meet the government's ongoing obligations to citizens and creditors.
- The County's total net assets increased by \$21.6 million.
- As of the close of the current fiscal year, the County's governmental funds reported combined ending fund balances of \$170.5 million, a decrease of \$61.6 million over the prior year.
- At the end of the current fiscal year approximately \$38.5 million is *available for spending* at the government's discretion *(unreserved, undesignated general fund balance)*. This fund balance amounts to 23% percent of total general fund expenditures.
- As of fiscal year 2008, the County reported other post-employment benefit obligations (OPEB) of \$24.2 million as a result of implementing GASB Statement No., 45 "Accounting and Financial Reporting by Employers for Post-Employment Benefits Other Than Pensions".
- The County's total debt decreased by \$8.5 million during the current fiscal year.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business.

The *statement of net assets* presents information on all of the County's assets and liabilities, with the difference between the two reported as *net assets*. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The *statement of activities* presents information showing how the government's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

The government-wide financial statements present functions of the County that are principally supported by taxes (*governmental activities*). The governmental activities of the County include general administration, financial administration, administration of justice, construction and maintenance, health and welfare, cooperative service, public safety, parks and recreation, libraries and education, and interest on long-term debt.

The government-wide financial statements include not only the County itself (known as *the primary government*), but also legally separate entities for which the County is financially accountable. Financial information for these *component units* is reported separately from the financial information presented for the primary government itself. The County's three discretely presented component units consist of the following:

- Fort Bend Toll Road Authority
- Fort Bend Surface Water Supply Corporation
- Fort Bend Housing Finance Corporation

The government-wide financial statements can be found on pages 15 through 17 of this report.

Fund financial statements. *A fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the governmentwide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The County maintains 115 individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the general, debt service, mobility and 2007 facilities bond funds, all of which are considered to be major funds. Data from the other 111 governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements* elsewhere in the comprehensive annual financial report.

The basic governmental fund financial statements can be found on pages 18 through 21 of this report.

Proprietary funds. The County uses internal service funds to report activities that provide services for the County's other programs and activities. The Employee Benefits Fund and Other Self-Funded Insurance Fund are the County's internal service funds. Their purpose is to provide for the accumulation of money for insurance and employee benefits used in County operations. Because all of these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

All internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for the internal service funds is provided in the form of combining statements elsewhere in the comprehensive annual financial report.

The basic proprietary fund financial statements can be found on pages 22 through 24 of this report.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. *Fiduciary* funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

The basic fiduciary fund financial statement can be found on page 25 of this report.

Combining component unit financial statements. The County's three discretely presented component units shown in aggregate on the face of the government-wide financial statements have individual information for each of the major discretely presented component units presented in the form of combining statements immediately following the fund financial statements of the primary government.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 30 through 52 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the County's progress in funding its obligation to provide pension benefits to its employees. The County adopts an annual appropriated budget for its general, debt service and certain special revenue funds. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget. Required supplementary information can be found on pages 54 through 56 of this report.

Government-wide Financial Analysis

As noted earlier, net assets may serve over time as a useful indicator of a government's financial position. In the case of the County, assets exceeded liabilities by \$663.8 million at the close of the most recent fiscal year.

By far the largest portion of the County's net assets (93.0 percent) reflects its investment in capital assets (e.g., land, buildings, vehicles, road equipment, office furniture and equipment, infrastructure, and construction in progress), less any related debt used to acquire those assets that is still outstanding. The County uses these capital assets to provide services to citizens. Consequently, these assets are *not* available for future spending. Although the County's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

CONDENSED SCHEDULE OF NET ASSETS September 30, 2008 and 2007

| | Primary Government | | | |
|------------------------------------|--------------------------------|-------------|-------------------|-------------|
| | Governmental Activities | | | |
| | | 2008 | | 2007 |
| Current and other assets | \$ | 227,762,347 | \$ | 278,241,320 |
| Capital assets, net | | 746,378,348 | | 644,835,009 |
| Total Assets | | 974,140,695 | | 923,076,329 |
| Long-term liabilities | | 273,135,701 | 256,169,243 | |
| Other liabilities | | 37,170,416 | 70,416 24,707,998 | |
| Total Liabilities | | 310,306,117 | | 280,877,241 |
| Net Assets: | | | | |
| Invested in capital assets, net of | | | | |
| debt | | 617,510,083 | | 571,604,116 |
| Restricted | | 4,034,606 | | 2,712,985 |
| Unrestricted | | 42,289,889 | | 67,881,987 |
| Total Net Assets | \$ | 663,834,578 | \$ | 642,199,088 |

A portion of the County's net assets (\$4.0 million) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net assets* (\$42.3 million) may be used to meet the government's ongoing obligations to citizens and creditors.

The County's assets exceeded liabilities by \$664 million, resulting in an increase of \$21.6 million from prior year. This increase primarily relates to the addition of capital assets net of depreciation of \$102 million as a result of the County's building of infrastructure, roads and bridges, and facilities. This increase is offset by a reduction of capital grants and contributions of \$67.7 million in relation to infrastructure contributed by developers from master-planned communities within the municipalities of the County during 2007. This increase is further offset by the County's implementation of GASB Statement No., 45 "Accounting and Financial Reporting by Employers for Post-Employment Benefits Other Than Pensions", which resulted in a liability of \$24.2 million as of September 30, 2008. The increase is also impacted by operating revenues exceeding operating expenses by approximately \$2 million.

FORT BEND COUNTY, TEXAS

MANAGEMENT'S DISCUSSION AND ANALYSIS

SCHEDULE OF CHANGES IN NET ASSETS

Year-ended September 30, 2008 and 2007

| | Primary Government | |

| Interest on long-term debt | 10,621,067 | 9,190,051 |
| Total Expenses | 251,804,968 | 191,872,973 |
| Change in Net Assets | 21,635,490 | 126,284,491 |
| Net Assets, Beginning | 642,199,088 | 515,914,597 |
| Net Assets, Ending | \$ 663,834,578 | \$ 642,199,088 |

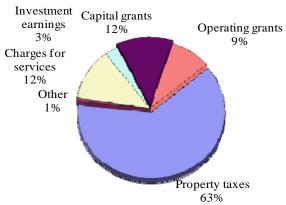

At the end of the current fiscal year, the County is able to report a positive balance in net assets for the government as a whole. The same situation held true for the prior fiscal year.

Governmental activities increased the County's net assets by \$21.6 million. The key element of this increase is as follows:

- Property tax revenues of \$171.8 million, which increased by \$20.4 million from prior year as a result of increased development in the County and higher property values.
- The increase is offset by expenses for public safety of \$68.9 million, an increase of \$19.5 million from prior year; construction and maintenance of \$40.0 million, an increase of \$14.8 million from prior year; and administration of justice of \$45.8 million, an increase of \$12.4 million from prior year. These increases are primarily due to higher salaries and wages including benefits, higher fuel prices, and higher overall costs due to inflation.

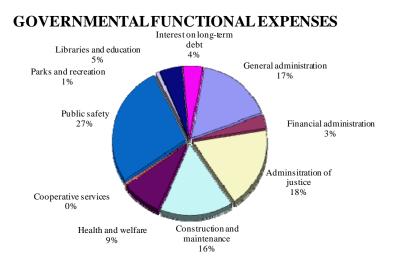

- The increase is further offset by lower capital grants and contribution revenues by \$67.7 million from prior year as a result of various donations of roads and right of way for new subdivisions during 2007.
- This increase is also offset by the County's implementation of GASB Statement No., 45 "Accounting and Financial Reporting by Employers for Post-Employment Benefits Other Than Pensions", which resulted in a liability and related expenses of \$24.2 million as of September 30, 2008.
- The remaining increase in net assets was due to overall operating revenue exceeding operating expenses by approximately \$2 million.

Governmental Revenues for fiscal year 2008 are graphically displayed as follows:

GOVERNMENTAL REVENUES

Governmental functional expenses were as follows:

FINANCIAL ANALYSIS OF THE COUNTY'S FUNDS

As noted earlier, fund accounting is used to demonstrate and ensure compliance with finance-related legal requirements.

Governmental Funds - The focus of the County's governmental funds is to provide information of nearterm inflows, outflows, and balances of spendable resources. Such information is useful in assessing the County's financing requirements, in particular, unreserved fund balance may serve as a useful measure of the County's net resources available for spending at the end of the fiscal year.

The County's governmental funds reflect a combined fund balance of \$170.5 million. Of this, \$38.5 million is unreserved and available for day-to-day operations of the County. In addition, \$4.4 million is reserved for debt service and the remaining reserved amount is for capital projects and prepaid items of \$106.9 million and \$0.2 million respectively.

There was a decrease in the combined fund balance of \$61.6 million from the prior year. The decrease in fund balance includes a \$14.0 million decrease in the Mobility Capital Projects fund and a \$49.8 decrease in the capital project fund (2007 Facilities Bonds Fund) for facilities. The decrease in the Mobility Capital Projects fund and the 2007 Facilities Bonds Funds are primarily due to capital outlay expenditures for mobility and facility projects. The increase in the General Fund of approximately \$3.0 million is due to operating revenues exceeding operating expenditures and net other financing uses during the course of operations.

Proprietary Funds -The County's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

The Employee Benefits Fund has a net assets balance at fiscal yearend of \$3.0 million. In addition, the Self-Funded Insurance Fund has deficit net assets of \$2.4 million at fiscal year end. Expenses in the Other Insurance Fund exceeded the amount budgeted in previous fiscal years. However, amounts budgeted for expenses in this fund (and therefore revenues) have been increased for the future fiscal period, which should reduce the deficit net assets.

GENERAL FUND BUDGETARY HIGHLIGHTS

During the year there was an approximate \$14 million decrease in appropriations between the original and final amended budget. The main components of the decrease are as follows:

- Approximately \$6 million was transferred to multi-year capital projects with budgets that extend beyond the County's fiscal year.
- Approximately \$8 million was allocated to the Juvenile Board for the operations of the Juvenile Probation Office.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets. At the end of fiscal year 2008, the County's governmental activities had invested \$746.4 million in a variety of capital assets and infrastructure, as reflected in the following schedule. This represents an increase of approximately \$102 million over the previous fiscal year.

| FORT BEND COUNTY | S CA | PITAL ASSET | S | |
|--|--------------------------------|-------------|-----------|-------------|
| | Governmental Activities | | | |
| | 2008 | | 2008 2007 | |
| Non-Depreciable Assets | | | | |
| Land and intangibles | \$ | 270,596,282 | \$ | 257,953,832 |
| Construction in progress | | 133,300,768 | | 94,641,782 |
| Other Capital Assets, Net | | | | |
| Vehicles | | 6,940,630 | | 6,591,997 |
| Office furniture and equipment | | 5,988,975 | | 3,965,866 |
| Machinery and equipment | | 9,813,297 | | 8,830,097 |
| Buildings, facilities and improvements | | 62,135,291 | | 62,972,976 |
| Infrastructure | | 257,603,104 | | 209,878,459 |
| Totals | \$ | 746,378,347 | \$ | 644,835,009 |

Construction in progress at year-end represents numerous ongoing projects, the two largest being mobility bond projects (\$42.6 million) and facilities bond projects (\$56 million).

Long-Term Debt. At the end of the current fiscal year, the County had total bonds outstanding of \$232.1million. This is a decrease of \$8.2 million from prior year due to bond principal payments. The total amount relates to general obligation bonds.

| | Government | Governmental Activities | | |
|--------------------------|----------------|--------------------------------|--|--|
| | 2008 | 2007 | | |
| General Obligation Bonds | \$ 232,130,000 | \$ 240,350,000 | | |
| Total | \$ 232,130,000 | \$ 240,350,000 | | |

The County received an insured rating of Aaa from Moody's. The uninsured ratings are as follows:

Moody Investor Service Aa2 Standard and Poor's AA+

The Fort Bend Housing Finance Corporation (the "Corporation"), a component unit of the County, has issued conduit debt in the amount of \$98.3 million. The tax-exempt bonds issued by the Corporation do not constitute a debt or pledge of faith by the Corporation, but are payable by the user pursuant to terms defined in the loan agreement underlying each issue. As of September 30, 2008, approximately \$42.7 million of total bonds are outstanding.

Additional information on capital assets and long-term debt is available in notes 6 and 7 respectively, to the financial statements

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The County's labor force is estimated to be up 2.2% to almost 259,214. Of those only 13,220 are currently unemployed indicating a 5.1% unemployment rate. Job availability in Fort Bend is also up by 3.4% at 210,240. This means that there are enough jobs in the County to support roughly 81% of Fort Bend's employed labor force.

On the housing front, title data indicates that 6,647 new homes were sold in Fort Bend County in 2008. While this is down 24%, this is still a very healthy number when you consider the impacts of Hurricane Ike on the region during the 4th quarter of calendar 2008. We have had stable and consistent new home growth in Fort Bend over the past 8 years averaging over 7,300 homes since 2001 and 7,900 homes over the past five years. When looking at predictors for continued success, mortgage interest rates, net new jobs, home appreciation and supply are all relevant to the outlook. Housing supply is expected to be in line with previous growth, if not better. HAR (Houston Association of Realtors) reports that 3 of the 10 hottest markets are in Fort Bend County as of August 2008 with inventories well below 6 months in age. At this level and with 4000+ acres of new master planned communities coming on line over the next few years, we expect new home sales in Fort Bend to have a solid year. Our 2008 population grew to 531,660 from 514,010 for a growth rate of 3.4%.

Property market values went up 14.7% to \$47.7 billion in 2008 from \$41.6 billion in 2007. This is a combination of market appreciation on existing property as well as new residential and commercial value added over the year. The County has experienced steady increases in market values over the past ten years. For this reason and as a result of the new commercial development, market values are expected to increase to over \$50 billion in 2009.

The Commissioners Court approved a \$214.4 million total budget for the 2009 fiscal year. This is a 12.5% increase over the adopted 2008 fiscal year budget. The growth in the budget is driven by increased costs of doing business as well as funding for drainage, mobility, and increased services to the citizens of the County. The overall tax rate was reduced by \$0.01698 to \$0.49976 for the 2009 fiscal year.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of Fort Bend County's finances for all of those with an interest in the County's finances. Questions concerning this report or requests for additional financial information should be directed to Ed Sturdivant, County Auditor, 301 Jackson Suite 533, Richmond, TX 77469, telephone (281) 341-3760.

FORT BEND COUNTY, TEXAS RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES - GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

For the Year Ended September 30, 2008

| Net change in fund balances - total governmental funds: | \$ (61,625,478) |
|---|-----------------|
| Adjustments for the Statement of Activities: | |
| Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlay (\$83.8 million) exceeded depreciation expense (\$14.9 million) in the current period. | 68,899,941 |
| Capital contributions of infrastructure are reported in the governmental-wide financial statements but not in the fund financial statements. | 32,807,991 |
| The long-term portion of accrued compensated absences is not due and payable in the current period and is therefore not reported in governmental funds. | 827,493 |
| Changes in the other post-employment benefit (OPEB) obligation are not due and payable in the current period and therefore, not reported in governmental funds. | (24,151,093) |
| Revenues that do not provide current financial resources are not reported as revenues in the governmental funds. This adjustment reflects the net change in receivables on the accrual basis of accounting. | (2,136,754) |
| Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds. This adjustment reflects the net change in interest payable on the accrual basis of accounting. | 1,193,902 |
| Governmental funds report the effect of issuance costs, premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items. | 451,464 |
| Principal payments on bonds are reported as expenditures in governmental funds but not as expenses in the government-wide statements. | 8,220,000 |
| Internal service funds are used by management to charge the costs of certain activities, such as insurance and equipment replacement, to individual funds. The net revenues (expenses) is reported with governmental activities. | (2,851,976) |
| Change in net assets of governmental activities | \$ 21,635,490 |

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Financial Reporting Entity

Fort Bend County, Texas ("County") is a public corporation and a political subdivision of the State of Texas. The Commissioners Court, composed of four County Commissioners and the County Judge, all of whom are elected officials, govern the County.

The County is considered an independent entity for financial reporting purposes and is considered a primary government. As required by generally accepted accounting principles, these financial statements have been prepared based on considerations regarding the potential for inclusion of other entities, organizations, or functions as part of the County's financial reporting entity.

Considerations regarding the potential for inclusion of other entities, organizations, or functions in the County's financial reporting entity are based on criteria prescribed by generally accepted accounting principles. These same criteria are evaluated in considering whether the County is a part of any other governmental or other type of reporting entity. The overriding elements associated with prescribed criteria considered in determining that the County's financial reporting entity status is that of a primary government are that it has a separately elected governing body; it is legally separate; and it is fiscally independent of other state and local governments. Additionally, prescribed criteria under generally accepted accounting principles include considerations pertaining to organizations for which the primary government is financially accountable; and considerations pertaining to other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Blended Component Units

Blended component units, although legally separate entities, are, in substance, part of the County's operations and so data of these units are combined with data of the County. Each of the County's blended component units has a September 30 year-end. The following component units have been identified and are presented in a blended format in the government-wide financial statements:

Fort Bend County Drainage District ("District")

Established under Section 59 of Article XVI of the Constitution of Texas, the District includes all of the property within Fort Bend County. The District was created for the purpose of reclamation and drainage of its lands. Commissioners Court acts as the governing body of the District. Complete financial statements for the District can be obtained at the Fort Bend County Auditor's Office located at 301 Jackson, Suite 533, Richmond, Texas.

Fort Bend Flood Control Water Supply Corporation ("FBFCWSC")

The FBFCWSC is a non-profit corporation organized for the benefit of the County to provide for the acquisition, construction and financing of flood control and drainage projects for the County. Upon completion, these projects are maintained by the County. Commissioners Court appoints the Board of Directors and approves all budgets and expenditures. Complete financial statements for the Corporation can be obtained at the Fort Bend County Auditor's Office located at 301 Jackson, Suite 533, Richmond, Texas.

FORT BEND COUNTY, TEXAS

NOTES TO THE FINANCIAL STATEMENTS

Fort Bend Parkway Road District ("FBPRD")

The FBPRD, a limited purpose political subdivision, was created as a vehicle to provide cost participation for the development and construction of the Fort Bend Parkway in eastern Fort Bend County. The governing body is Commissioners Court. The District does not issue separate financial statements.

Discretely Presented Component Units

Discretely presented component units are presented in a separate column in the government-wide statements to emphasize that they are legally separate from the County. Each of the County's discretely presented component units has a September 30 year-end. The following component units have been identified and are presented in a discrete format in the County's financial statements:

Fort Bend Toll Road Authority

The Fort Bend Toll Road Authority is organized under the Texas Transportation Corporation Act and the Texas Non-Profit Corporation Act. The Authority was created to assist in the planning, designing, financing and building of county roads and highways. In particular, the Authority is to assist in the building and operation of the Fort Bend Toll Road system that will extend from Sam Houston Parkway in Harris County to State Highway 6 and State Highway 99 in Fort Bend County. Commissioners Court appoints the Authority's governing body. The County has financial accountability because it appoints a voting majority of the Board and the County can impose its will. Financial information is available at the County Auditor's Office.

Fort Bend Surface Water Supply Corporation

The Fort Bend County Surface Water Supply Corporation was established for the purpose of conducting a feasibility study of a surface water facility in the area. Currently, revenue sources are primarily from special districts, private corporations, and other entities interested in the study. Commissioners Court appoints the Corporation's governing body. The County has financial accountability because it appoints a voting majority of the Board and the County can impose its will. Financial information is available at the County Auditor's Office.

Fort Bend County Housing Finance Corporation

The Fort Bend County Housing Finance Corporation was established under the Texas Housing Finance Corporation Act. The Corporation provides down payment assistance programs for individuals meeting certain income guidelines and serves as a conduit for activity related to bond issues for affordable housing in Fort Bend County. The tax-exempt bonds issued by the Corporation do not constitute a debt or a pledge of faith by the Corporation, but are payable by the user pursuant to terms defined in the loan agreements underlying each issue. Commissioners Court appoints the Corporation's governing body. The County has financial accountability because it appoints a voting majority of the Board and the County can impose its will. Complete financial statements for The Fort Bend Housing Finance Corporation are prepared and can be obtained at the East Fort Bend County Annex Building located at 3030 Texas Parkway, Suite 213, Missouri City, Texas.

B. Government-wide and Fund Accounting

The basic financial statements include both government-wide (based on the County as a whole) and fund financial statements. While the previous reporting model emphasized fund types (the total of all funds of a particular type), the GASB 34 reporting model focuses on either the County as a whole or on major individual funds (within the fund financial statements). Typically, both the government-wide and fund financial statements (within the basic financial statements) categorize primary activities as either governmental or business-type. All primary activities of the County are considered to be governmental type activities; therefore no business type activities are presented within the basic financial statements. In the government-wide Statement of Net Assets, governmental activities are presented on a full accrual, economic resource basis, which incorporates long-term assets and receivables, as well as long-term debt and obligations.

The government-wide Statement of Activities reflects both the gross and net cost per functional category (general administration, financial administration, public safety, etc.), which are otherwise being supported by general government revenues (property taxes, earnings on investments, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues. The program revenues must be directly associated with the function (general administration, financial administration, public safety, etc.).

The governmental funds major fund statements in the fund financial statements are presented on a current financial resource and modified accrual basis of accounting. This is the manner in which these funds are normally budgeted. Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the government-wide statements' governmental column, a reconciliation is presented which briefly explains the adjustments necessary to reconcile fund-based financial statements with the governmental column of the government-wide presentation.

The County's fiduciary funds are presented in the fund financial statements by type. Since, by definition, these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements. Since the County only reports agency funds, a statement of changes in fiduciary net assets is not presented. All assets reported in agency funds should be offset by a corresponding liability, resulting in zero net assets.

In the fund financial statements, the accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses, as appropriate. Following is a description of the various funds:

The County reports the following major governmental funds:

General Fund

The General Fund is the County's primary operating fund. It is used to account for all financial transactions not properly includable in other funds. The principal source of revenue is local property taxes. Expenditures include all costs associated with the daily operations of the County.

Debt Service Fund

This fund is used to account for the debt service transactions relating to the following bond issues: Library Permanent Improvement Bonds Series 1997, Permanent Improvement Bonds Series 2003, Unlimited Tax Road Bonds Series 2001, Unlimited Tax Road Bonds Series 2006, Unlimited Tax Road Bonds Series 2007, Fort Bend Flood Control Water Supply Corporation (FBFCWSC) Revenue Bonds Series 1995 (final payment in FY2008), FBFCWSC Refunding Bonds Series 1999 (final payment in FY2008), FORT Bend Flood Control Water Supply Corporation (FBFCWSC) Revenue Bonds Series 2001, and the Limited Tax Facilities Bonds Series 2007. This fund is also used to account for the debt service transactions associated with the Parkway Road District's Series 1990 Bonds. Revenues in this fund are comprised of property taxes levied against property located in the District.

Mobility Capital Projects Fund

The Mobility Fund is a Capital Projects Fund used to account for the proceeds of the General Obligation Bonds Series 2001, 2006 and 2007 which are being used to finance the construction and/or expansion of numerous roads in the County.

2007 Facilities Bonds Fund

The 2007 Facilities Bonds Fund is a Capital Projects Fund used to account for the proceeds of the Fort Bend County Limited Tax (General Obligation) Bonds Series 2007 which are being used to finance the construction and/or expansion of numerous County facilities.

C. Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental fund-types are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing resources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The government-wide statements of net assets and statements of activities and all proprietary funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operations of these activities are included on the balance sheet. Proprietary fund equity consists of net assets. Proprietary fund-type operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in net total assets.

The accounts of the Governmental Fund Types (the General Fund, Special Revenue Funds, Debt Service Funds, and Capital Projects Funds) and certain Component Units are maintained, and the financial statements have been prepared, on the modified accrual basis of accounting. Under this basis of accounting, revenues are recognized when they become susceptible to accrual (i.e., both measurable and available). Available means collectible within the current year or soon enough thereafter to pay liabilities of the current year. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Substantially all revenues, except property taxes, are considered to be susceptible to accrual. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Principal and interest on long-term debt are recognized as expenditures when due.

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. An exception to this general rule is that interfund services provided and used within the County are not eliminated in the process of consolidation. Elimination of these services would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as program revenues include 1) charges to customers for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Revenues that are generated internally are reported as general revenues, including property taxes.

Proprietary funds present both operating revenues and expenses as well as nonoperating revenues and expenses. Operating revenues and expenses are generally derived from providing services and producing goods as part of ongoing operations. The principal operating revenues of the County's internal service funds are charges to users for services. The operating expenses for the County's internal service funds include administrative expenses and all costs associated with providing services. All other revenue and expenses is reported as nonoperating revenue.

The accrual basis of accounting is used for the proprietary fund types and certain component units. This basis of accounting recognizes revenues in the accounting period in which they are earned and become measurable, and expenses in the accounting period in which they are incurred and become measurable.

The statements of net assets, statements of activities, and financial statements of proprietary fund types are presented on the accrual basis of accounting. Under this method of accounting, revenues are recognized in the accounting period in which they are earned, and expenses in the accounting period in which they are incurred.

D. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is used as an extension of formal budgetary control. Encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures or liabilities of the current year and are reappropriated in the budget of the subsequent year. Unencumbered appropriations lapse at the end of the year.

E. Cash and Cash Equivalents

The County's cash and cash equivalents are considered to be cash on hand, demand deposits, and shortterm investments with original maturities of three months or less from the date of acquisition. For the purpose of the statement of cash flows, the Proprietary Fund Types consider temporary investments with maturities of three months or less when purchased to be cash equivalents.

F. Temporary Investments

The County's temporary investments are comprised of U.S. Government Securities and deposits in pooled investment accounts. Obligations with maturities of one year or less when purchased are reported on the balance sheet at their amortized cost, which approximates fair value. All other investments are reported at fair value. The investments in U.S. Government Securities are generally held to maturity.

G. Receivables

All receivables are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

H. Due to and Due From Other Funds

During the course of operations, transactions occur between individual funds for specified purposes, such as lending/borrowing arrangements or amounts. In addition, the County maintains numerous bank accounts among all the funds and occasionally monies are deposited into the incorrect account. Therefore, a receivable and payable are recorded in the proper funds. These receivables and payables are classified as "due from other funds" or "due to other funds" or "due from component unit/primary government" or "due to component unit/primary government" if the transactions are between the primary government and its component unit.

I. Interfund Transfers

The County maintains numerous special revenue and capital project funds to account separately for monies that have been set aside for particular purposes. Often, these monies are initially budgeted in the General Fund during the annual budget process and are then transferred to various funds during the course of the fiscal year. In addition, when these projects are complete, these same funds often transfer residual monies back to the General Fund or some other fund, as determined where the monies should be returned. These interfund transfers are classified as "transfers in" and "transfers out" within the primary government.

J. Interest Receivable

Interest on investments is recorded as revenue in the year the interest is earned and available to pay liabilities of the current period.

K. Capital Assets

Capital assets used in governmental fund types of the government are recorded as expenditures of the General, Special Revenue and Capital Projects Funds and as assets in the government-wide financial statements to the extent the County's capitalization threshold is met, currently \$5,000. Depreciation is recorded on capital assets on a government-wide basis. Major outlays for capital assets and improvements are capitalized as projects are constructed and subsequently depreciated over their estimated useful lives on a straight-line basis at both the fund and government-wide levels. All capital assets are valued at historical cost or estimated historical cost if actual cost was not available. Donated capital assets are valued at their estimated fair value on the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are charged to operations when incurred. Expenditures that materially change capacities or extend useful lives are capitalized. Upon sale or retirement of capital assets, the cost and related accumulated depreciation, if applicable, are eliminated from the respective accounts and resulting gain or loss is included in the results of operations.

The County applies a half-year convention for depreciation on all assets. Therefore, one half of a year of depreciation is charged to operations the first and last year that an asset is in service. Depreciation has been provided for plant and equipment using the straight-line method over the following estimated useful life for the type of assets as follows:

| | Estimated |
|--|----------------|
| Asset Description | Useful Life |
| Vehicles | 5 to 7 years |
| Office Furniture and fixtures | 5 to 7 years |
| Machinery and equipment Buildings, facilities, and land | 7 to 15 years |
| improvements | 10 to 39 years |
| Infrastructure | 20 to 40 years |

L. Accrued Compensated Absences

All full-time employees accumulate vacation benefits in varying annual number of days up to a maximum of twenty days a year. Accumulated vacation exceeding twenty days lapses on December 31 of each year.

Compensatory time exceeding 240 hours is paid to nonexempt employees except for the nonexempt law enforcement officers who are paid when hours exceed 480. In the event of termination, an employee is paid for all maximum allowable accumulation of vacation and compensatory time.

Sick leave benefits are earned by all full-time employees at a rate of eight days per year and may be accumulated without limit. In the event of termination, an employee is not paid for any unused sick leave.

A liability for accrued compensated absences is recorded in the government-wide financial statements.

M. Restricted/Unrestricted Net Assets

It is the County's policy to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

N. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

O. Reclassifications

Certain reclassifications to prior year balances have been made to conform to current year presentation. Such reclassifications have had no effect on the excess of revenues over expenditures.

P. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual amounts could differ from those estimates.

NOTE 2 – DEPOSITS (CASH) AND INVESTMENTS

A. Authorization for Deposits and Investments

The Texas Public Funds Investment Act (PFIA), as prescribed in Chapter 2256 of the Texas Government Code, regulates deposits and investment transactions of the County.

In accordance with applicable statutes, the County has a depository contract with an area bank (depository) providing for interest rates to be earned on deposited funds and for banking charges the County incurs for banking services received. The County may place funds with the depository in interest and non-interest bearing accounts. State law provides that collateral pledged as security for bank deposits must have a market value of not less than the amount of the deposits and must consist of: (1) obligations of the United States or its agencies and instrumentalities; (2) direct obligations of the State of Texas or its agencies; (3) other obligations, the principal and interest on which are unconditionally guaranteed or insured by the State of Texas; and/or (4) obligations of states, agencies, counties, cities, and other political subdivisions of any state having been rated as to investment quality by a nationally recognized investment rating firm and having received a rating of not less than A or its equivalent. County policy requires the collateralization level to be at least 100% of market value of principal and accrued interest.

Commissioners Court has adopted a written investment policy regarding the investment of its funds as defined by the Public Funds Investment Act of 1995 (Chapter 2256, Texas Government Code). The investments of the County are in compliance with this policy. State statutes authorize the County to invest in fully collateralized or insured time deposits, direct debt obligations of the United States, and certain repurchase agreements. Investments in security repurchase agreements are authorized when the investment has a defined termination date, is secured by obligations described in the Public Funds Investment Act, is pledged to the County, deposited with a third party selected and approved by the entity, and is placed through a primary government securities dealer or national bank domiciled in the state or national banks domiciled in the State of Texas. The County did not invest in repurchase agreements for the year ended September 30, 2008.

B. Deposit and Investment Amounts

The County's cash and investments are classified as: cash and cash equivalents, and investments. Cash and cash equivalents include cash on hand, deposits with financial institutions, and short-term investments in a privately-managed public funds investment pool account. The investments, which have maturities at purchase of greater than three months, consist mainly of U.S. agency securities.

At September 30, 2008, the County's cash deposits are either insured by FDIC or covered by collateral held by the County's agent in the County's name.

The following schedule shows the County's recorded cash and investments at year-end, excluding Agency Fund:

| | To | tal Fair Value |
|---------------------------------------|----|----------------|
| Cash deposits | \$ | 35,513,968 |
| Certificate of deposit | | 380,000 |
| Temporary investments | | |
| MBIA | | 115,146,315 |
| Texas Term | | 9,065,809 |
| Farmers Mac Discount Note | | 45,508,449 |
| Freddie Mac Discount Note | | 10,374,593 |
| Federal National Mortgage Association | | |
| Discount Note | | 2,985,300 |
| Total Cash and investments | \$ | 218,974,434 |

Interest Rate Risk

At year-end, the County had the following investments subject to interest rate risk disclosure, under U.S. generally accepted accounting principles:

| | Fair Value | Weighted Average Maturity (days) | Percentage of Total Portfolio |
|---------------------------------------|-------------------|---|-------------------------------------|
| Certificate of deposit | \$ 380,000 | 140 | 0.2% |
| Temporary Investments | | | |
| Investment Pool: | | | |
| MBIA | 115,146,315 | 31 | 62.8% |
| Texas Term | 9,065,809 | 41 | 4.9% |
| Governmental securities: | | | |
| Farmers Mac Discount Note | 45,508,449 | 188 | 24.8% |
| Freddie Mac Discount Note | 10,374,593 | 353 | 5.7% |
| Federal National Mortgage Association | | | |
| Discount Note | 2,985,300 | 176 | 1.6% |
| Total Fair Value | \$ 183,460,466 | | |
| Portfolio weighted average maturity | | 91 | |

It's the County's policy to select any individual investment with a maximum stated of thirty-six (36) months. Portfolio maturities will be structured to meet the obligations of the County first and then to achieve the highest rate of return of interest. When the County has funds not required to meet current-year obligations, maturity restraints will be imposed based upon the investment strategy for the group of funds.

Concentration of Credit Risk

It is the County's policy to diversify its portfolio to eliminate the risk of loss resulting from a concentration of assets in a specific maturity (save and except zero duration funds), a specific issuer or a specific class of investments. To achieve this diversification, the County will limit investments in specific types of securities to the following percentages of the total portfolio:

| Investment Type | Maximum Investment % |
|--|-------------------------|
| Repurchase Agreements | up to 35% |
| Certificates of Deposit | up to 50% |
| U.S. Treasury Bills/Notes | up to 100% |
| Other U.S. Government Securities | up to 80% |
| Authorized Local Government Investment Pools | up to 80% |
| No Load Money Market Mutual Funds | up to 50% |
| Bankers Acceptances | up to 15% |

It's the County's policy to select investments in order to provide stability of income and reasonable liquidity.

The County's investment in Farmers Mac (FAMC), Freddie Mac (FHLMC) and Federal National Mortgage Association (FNMA) discount notes were rated Aaa by Moody's Investors Service and AAA by Standard and Poor's. The County's investment in the state investment pool via MBIA and Texas Term were rated Aaa by Moody Investments and AAA by Standard and Poor's.

NOTE 3 – RECEIVABLES

Receivables, including applicable allowances for uncollectible accounts, as of September 30, 2008, are as follows:

| | General | Debt Service | Mobility Projects | Go | Other overnmental Funds | Total |
|---------------------|------------------|-----------------|----------------------|----|-------------------------------|------------------|
| Receivables | | | | | | |
| Taxes | \$ 6,663,643 | \$ 639,270 | \$ | \$ | 1,271,052 | \$ 8,573,965 |
| Grants | 8,452,923 | | | | 1,325,747 | 9,778,670 |
| Fees & fines | 4,319,143 | | | | | 4,319,143 |
| Other | 1,156,842 | 14,953 | 230 | | 335,955 | 1,507,980 |
| Gross receivables | 20,592,551 | 654,223 | 230 | | 2,932,754 | 24,179,758 |
| Less: allowance for | | | | | | |
| uncollectibles | (666,365) | (63,927) | | | (127,105) | (857,397) |
| Total | \$ 19,926,186 | \$ 590,296 | \$ 230 | \$ | 2,805,649 | \$ 23,322,361 |

Governmental funds report deferred revenue in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds also defer revenue recognition in connection with resources that have been received, but not yet earned. As of September 30, 2008, the various components of deferred revenue reported in the governmental funds are as follows:

| | Unavailable | | Unearned |
|--|-------------|------------|-----------------|
| Delinquent property taxes (general fund) | \$ | 5,997,278 | \$ |
| Delinquent property taxes (road and bridge fund) | | 754,457 | |
| Delinquent property taxes (drainage district fund) | | 389,489 | |
| Delinquent property taxes (debt service fund) | | 575,343 | |
| Fees and fines | | 4,319,143 | |
| Grant funds received prior to meeting all eligibility requirer | 3,845,318 | | |
| Total deferred revenue for governmental funds | \$ | 12,035,710 | \$ 3,845,318 |

NOTE 4 – PROPERTY TAXES

The County's tax year covers the period October 1 through September 30. The County's property taxes are levied annually in October on the basis of the Fort Bend Central Appraisal District's (CAD) assessed values as of January 1 of that calendar year. Such taxes become delinquent on February 1 of the subsequent calendar year. The CAD establishes appraised values at 100% of market value less exemptions. The County's property taxes are billed and collected by the County's Tax Assessor/Collector.

A. 2007 Tax Year

Property taxes are prorated between the General, certain Special Revenue, and Debt Service Funds based on rates adopted for the year of the levy. For the 2008 fiscal year (2007 tax year), the County levied property taxes of \$0.51674 per \$100 of assessed valuation. The 2007 rates resulted in total tax levies of approximately \$173 million based on a total adjusted valuation of approximately \$33.5 billion. The total tax rate in the 2007 tax year was prorated as follows:

| | 2007 Rate | 2007 Limit |
|--|------------|------------|
| | | |
| Fort Bend County, Texas | | |
| General, certain special revenue, and debt service | \$ 0.47454 | \$ 0.80000 |
| Special road & bridge funds | 0.02420 | 0.15000 |
| Fort Bend County Drainage District | 0.01800 | 0.25000 |
| Total Tax Rate | \$ 0.51674 | \$ 1.20000 |

The tax rate for the Fort Bend Parkway Road District for the 2007 tax year was \$0.054425 per \$100 of assessed valuation.

B. Fort Bend Central Appraisal District

The Fort Bend Central Appraisal District (CAD), a separate governmental entity, is responsible for the recording and appraisal of property for all taxing units in the County.

The CAD is required by state law to assess property at 100% of its appraised value. Further, real property must be appraised at least every four years. Under certain circumstances, the taxpayers and taxing units, including the County, may challenge orders of the CAD's Appraisal Review Board through various appeals and, if necessary, legal action may be taken.

The Commissioners Court will continue to set the tax rates on the property. State law also provides that, if approved by the qualified voters in the County, collection functions may be assigned to the CAD.

NOTE 5 – INTERFUND ACTIVITY

During the year, cash advances are occasionally made between funds for various projects and situations, which create receivables and payables between these funds. All of these interfund balances are expected to be paid within one year. At September 30, 2008, the interfund receivables and payables were as follows:

| | Interfund Receivable | Interfund Payable | | |
|----------------------------------|-------------------------|----------------------|------------|--|
| General Fund | \$ 13,043,316 | \$ | 28,681 | |
| Debt Service | 21,505 | | | |
| Major Capital Project - Mobility | | | 1,883,052 | |
| 2007 Facilities Bond | | | 5,730,156 | |
| Non-major Governmental Funds | 121,790 | | 1,817,462 | |
| | 13,186,611 | | 9,459,351 | |
| Fiduciary Funds | 794,104 | | 4,765,317 | |
| Internal Service Funds | 312,795 | | 68,842 | |
| Total Governmental Activity | \$ 14,293,510 | \$ | 14,293,510 | |

Interfund transfers

Transfers totaling approximately \$9.5 million were made during the year primarily for the purpose of moving unrestricted general fund revenues to finance various programs that the government must account for in other funds in accordance with the budgetary authorizations, including amounts provided as subsidies or matching funds for various grant programs.

NOTE 6 - CAPITAL ASSETS

A summary of changes in the primary government's capital assets for the year ended September 30, 2008 follows:

| | Primary Government | | | | | |
|--|--------------------|----------------|-----------------|----------------|--|--|
| | Balance | T | D | Balance | | |
| | 10/01/07 | Increases | Decreases | 09/30/08 | | |
| Governmental Activities: | | | | | | |
| Capital assets not being depreciated: | | | | | | |
| Land | \$ 257,953,832 | \$ 12,642,449 | \$ | \$ 270,596,281 | | |
| CIP | 94,641,784 | 79,664,301 | (41,005,316) | 133,300,769 | | |
| Total cap. assets not depreciated | 352,595,616 | 92,306,750 | (41,005,316) | 403,897,050 | | |
| Other capital assets: | | | | | | |
| Vehicles | 18,665,681 | 2,731,268 | (1,691,851) | 19,705,098 | | |
| Office furniture and equipment | 12,639,588 | 3,861,537 | (588,846) | 15,912,279 | | |
| Road Equipment | 18,798,587 | 2,234,167 | (464,328) | 20,568,426 | | |
| Buildings, facilities and improvements | 108,619,717 | 1,641,540 | (601,784) | 109,659,473 | | |
| Infrastructure | 291,702,284 | 55,492,259 | | 347,194,543 | | |
| Total other capital assets | 450,425,857 | 65,960,771 | (3,346,809) | 513,039,819 | | |
| Less accumulated depreciation for: | | | | | | |
| Vehicles | (12,073,684) | (2,070,532) | 1,379,748 | (12,764,468) | | |
| Office furniture and equipment | (8,673,722) | (1,682,661) | 433,079 | (9,923,304) | | |
| Road Equipment | (9,968,490) | (1,246,483) | 459,844 | (10,755,129) | | |
| Buildings, facilities and improvements | (45,646,741) | (2,168,331) | 290,890 | (47,524,182) | | |
| Infrastructure | (81,823,824) | (7,767,615) | | (89,591,439) | | |
| Total accumulated depreciation | (158,186,461) | (14,935,622) | 2,563,561 | (170,558,522) | | |
| Other capital assets, net | 292,239,396 | 51,025,149 | (783,248) | 342,481,297 | | |
| Total Net Assets | \$ 644,835,012 | \$ 143,331,899 | \$ (41,788,564) | \$ 746,378,347 | | |

Depreciation expenses were charged to the following function in the statement of activities:

FY2008 Depreciation Expense

| General Administration | \$ 3,613,906 |
|-----------------------------------|------------------|
| Financial Administration | 40,055 |
| Administration of Justice | 449,051 |
| Construction & Maintenance | 9,405,562 |
| Health & Welfare | 61,316 |
| Cooperative Services | 40,151 |
| Public Safety | 465,348 |
| Parks & Recreation | 860,233 |
| Total FY2008 Depreciation Expense | \$ 14,935,622 |

Construction in progress and remaining commitments under related construction contracts for general government construction projects at September 30, 2008, follows:

| | | 2008 CONST1 | RUCTION COSTS | | | |
|---------------------------------------|----------------|---------------|----------------------|----------------|---------------|----------------|
| | | Adjusted | | | | |
| | Budget | Balance | Increases | | Encumbrances | Balance |

| Total Net Assets | \$ 157,223,368 | \$ (90,080) | \$ | \$ 157,133,288 | | | |

Depreciation expense for the Fort Bend Toll Road Authority totaled \$4.2 million.

NOTE 7 - LONG-TERM DEBT

A. General Obligation Bonds and Certificates of Obligation

Long-term liabilities applicable to the County's governmental activities are not due and payable in the current period, and accordingly, are not reported as fund liabilities in the governmental funds. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. Long-term bonded debt at September 30, 2008 is as follows:

| Primary Government | | | | | | |
|--|------------------|--|-----------------|--------------|---------------------|--|
| Original Issue General Obligation Bonds | | Description | Interest Rate % | Matures | Debt Outstanding | |
| | | | | | | |
| \$ | 25,285,000 | Permanent Improvement | | | | |

B. Conduit Debt

The Fort Bend County Housing Finance Corporation is authorized to finance residential housing by issuing tax-exempt revenue bonds to acquire mortgage loans as security for the payment of the principal and interest of such revenue bonds. The tax-exempt bonds issued by the Corporation do not constitute a debt or pledge of faith of the Corporation, but are payable by the user pursuant to terms defined in the loan agreement underlying each issue. During 1998, the corporation's first Single Family Mortgage Revenue Bonds (GNMA and FNMA Mortgage-Backed Securities Program) Series 1998 were issued in the amount of \$18,750,000. Since then, an additional \$79,568,000 of bonds have been issued. As of September 30, 2008, \$42,741,883 of total bonds are outstanding.

NOTE 8 – EMPLOYEE RETIREMENT SYSTEM

A. Plan Description

The County provides retirement, disability, and death benefits for all of its full-time employees through a nontraditional defined benefit pension plan in the statewide Texas County and District Retirement System (TCDRS). The Board of Trustees of TCDRS is responsible for the administration of the statewide agent multiple-employer public employee retirement system consisting of 493 nontraditional defined benefit pension plans. TCDRS in the aggregate issues a comprehensive annual financial report (CAFR) on a calendar year basis. The CAFR is available upon written request from the TCDRS Board of Trustees at P.O. Box 2034, Austin, Texas 78768-2034.

The plan provisions are adopted by the governing body of the employer, within the options available in the Texas state statutes governing TCDRS (TCDRS Act). Members can retire at ages 60 and above with eight or more years of service, with 30 years of service regardless of age, or when the sum of their age and years of service equals 75 or more. Members are vested after eight years of service but must leave their accumulated contributions in the plan to receive any employer-financed benefit. Members who withdraw their personal contributions in a lump sum are not entitled to any amounts contributed by their employer.

Benefit amounts are determined by the sum of the employee's contributions to the plan, with interest, and employer-financed monetary credits. The level of these monetary credits is adopted by the governing body of the employer within the actuarial constraints imposed by the TCDRS Act so that the resulting benefits can be expected to be adequately financed by the employer's commitment to contribute. At retirement, death, or disability, the benefit is calculated by converting the sum of the employee's accumulated contributions and the employer-financed monetary credits to a monthly annuity using annuity purchase rates prescribed by the TCDRS Act.

B. Contributions

The employer has elected the annually determined contribution rate (ADCR) plan provisions of the TCDRS Act. The plan is funded by monthly contributions from both employee members and the employer based on the covered payroll of employee members. Under the TCDRS Act, the contribution rate of the employer is actuarially determined annually. It was 10.13% for calendar year 2008. The contribution rate payable by the employee members is the rate of 7% as adopted by the governing body of the employer. The employee contribution rate and the employer contribution rate may be changed by the governing body of the employer within the options available in the TCDRS Act.

The County's total payroll in fiscal year 2008 was \$91.6 million and the County's contributions were based on a payroll of \$89.5 million. Contributions made by employees totaled \$6.3 million, and the County made contributions of \$9.1 million during the fiscal year ended September 30, 2008.

Three year trend information for the Pension Plan is presented below:

| | 2008 | | | 2007 | 2006 | | |
|-------------------------------|------|-----------|----|-----------|------|-----------|--|
| Annual Pension Cost (APC) | \$ | 9,110,858 | \$ | 8,097,682 | \$ | 7,322,925 | |
| Percentage of APC Contributed | | 100% | | 100% | | 100% | |
| NPO at the End of Period | | | | | | | |

For the year ended September 30, 2008, the pension cost for the TCDRS plan and the actual contributions made were 9,110,858. Because all contributions are made as required, no pension obligation existed at September 30, 2008.

| Actuarial Information | 12/31/2007 | | | | |
|-----------------------------|--|--|--|--|--|
| Actuarial cost method | Entry age | | | | |
| Amortization method | level percentage of payroll, closed | | | | |
| | of payroll | | | | |
| Amortization period | 15 years | | | | |
| Asset valuation method | 10-year smoothed value ESF; Fund value | | | | |
| Assumptions: | | | | | |
| Investment return | 8.0% | | | | |
| Projected salary increases | 5.3% | | | | |
| Inflation | 3.5% | | | | |
| Costs-of-living adjustments | 0.0% | | | | |

NOTE 9 - DEFERRED COMPENSATION PLAN

The County offers all of its full-time employees a deferred compensation plan created in accordance with Section 457 of the Internal Revenue Code. Nationwide Retirement Solutions and Security Benefit Life have been appointed as plan administrators. The plan permits employees to defer a portion of their salary until future years. The deferred compensation is not available to the employees until termination, retirement, death, or emergency. Amounts of compensation deferred by employees under the plan provisions are disbursed to the plan administrators after each pay period. The plan administrators hold all funds invested in the plan and disburse funds to employees in accordance with plan provisions. The County does not maintain significant oversight of the plan administrators' activities.

NOTE 10-OTHER POST-EMPLOYMENT BENEFITS

In addition to providing pension benefits through the Texas County and District Retirement System, the County has opted to provide eligible retired employees with the following post-employment benefits:

- Eligible retirees may purchase health insurance from the County's healthcare provider at the County's cost to cover current employees
- Eligible retirees may purchase health insurance for the County's healthcare provider at the County's cost to cover current employees for dependents if the dependents were covered at the point of retirement

The County is statutorily required to permit retiree participation in the health insurance program on a pooled non-differentiated basis. The County recognizes its share of the costs of providing these benefits when paid, on a "pay-as-you-go" basis. These payments are budgeted annually. The County contributed approximately \$2.9 million for the fiscal year ending September 30, 2008. At September 30, 2008, there were approximately 333 participants eligible to receive such benefits. Commencing in fiscal 2008, the County has implemented GASB Statement No. 45 "Accounting and Financial Reporting by Employers for Post-employment Benefits Other Than Pensions." The County has performed an actuarial valuation of its post-retirement benefit liability. The financial statement disclosures for 2008 are as follows:

The following table shows the calculation of the Annual Required Contribution and the Net OPEB Obligation.

| | Fiscal Year Ending 9/30/2008 |
|--|------------------------------------|
| Determination of Annual Required Contribution | |
| Normal Cost at Fiscal Year End | \$ 15,005,349 |
| Amortization of Unfunded Actuarial Accrued Liability | 11,979,958 |
| Annual Required Contribution | \$ 26,985,307 |
| Determination of Net OPEB Obligation | |
| Annual Required Contribution | \$ 26,985,307 |
| Less Assumed Contributions Made | 2,834,214 |
| Estimate Increase in Net OPEB Obligation | \$ 24,151,093 |
| Net OPEB Obligation – Beginning of Year | \$ 0 |
| Net OPEB Obligation – End of Year | \$ 24,151,093 |

The following table shows the annual OPEB cost and net OPEB obligation for the prior 3 years assuming the plan is not prefunded (4% discount):

| Fiscal Year Ended | Discount Rate | Annual OPEB Cost | Percentage of OPEB Cost Contributed | Net OPEB Obligation |
|----------------------|------------------|---------------------|---|------------------------|
| 9/30/2006 | N/A | N/A | N/A | N/A |
| 9/30/2007 | N/A | N/A | N/A | N/A |
| 9/30/2008 | 4.0% | \$ 26,985,307 | 10.50%* | \$ 24,151,093 |

NOTE 11 – CONTINGENCIES AND COMMITMENTS

A. Construction Contract Commitments

The County had several capital improvement commitments at September 30, 2008. A contract between two parties does not result immediately in the recognition of a liability. Instead, a liability is incurred when performance has occurred under the contract. Until such time as performance takes place, these contracts represent a commitment rather than a liability. These commitments and their related construction in progress are summarized in Note 6.

B. Litigation and Other Contingencies

The County is contingently liable with respect to lawsuits and other claims in the ordinary course of its operations. The settlement of such contingencies under the budgetary process would not materially affect the financial position of the County as of September 30, 2008.

NOTE 12 - RISK MANAGEMENT

The County is exposed to various risks related to torts: theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The County's risk management program encompasses various means of protecting the County against loss through self-insurance and obtaining property, casualty, and liability coverage through commercial insurance carriers. Settled claims have not exceeded insurance coverage in any of the previous three fiscal years. There has not been any significant reduction in insurance coverage from that of the previous year.

Liabilities have been recorded for workers' compensation, auto liability, general liability, and employee benefits. These liabilities are recorded when it is probable that a loss has occurred and the amount can be reasonably estimated. Liabilities include an amount for claims that have been incurred but not reported (IBNRs). The result of the process to estimate the claims liability is not an exact amount as it depends on many complex factors, such as inflation, changes in legal doctrines, and damage awards. Accordingly, claims are reevaluated periodically to consider the effects of inflation, recent claim settlement trends, and other economic and social factors. The estimate of the claims liability also includes amounts for incremental claim adjustment expenses regardless of whether allocated to specific claims. Nonincremental claims adjustment expenses have not been included as part of the liability for claims and judgments. However, estimated recoveries, for example from salvage or subrogation, are another component of the claims liability estimate. Changes in the balances of claims liabilities during the past two years are as follows:

| | Year ended 9/30/2008 | Year ended 9/30/2007 |
|-----------------------------------|----------------------|----------------------|
| Unpaid claims, beginning of year | \$ 3,948,174 | \$ 4,620,146 |
| Incurred claims (including IBNRs) | 21,293,794 | 15,705,862 |
| Claim payments | (19,155,193) | (16,377,834) |
| Unpaid claims, end of year | \$ 6,086,775 | \$ 3,948,174 |

FORT BEND COUNTY, TEXAS NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

A. Budgets

Formal budgets are legally adopted on a GAAP basis for the General Fund, certain Special Revenue Funds (Road and Bridge and the Drainage District) and all Debt Service Funds except for the Fort Bend Parkway Road District Unlimited Tax Bonds Debt Service Fund. The debt service requirements relating to the Parkway bonds are funded solely from property taxes levied on property within the Road District.

Formal budgets (annualized budgeting) are not adopted in the Capital Projects Funds. Effective budgetary control in those funds is achieved through individual project budgeting in conformance with the provisions of bond orders and other sources.

The County Budget Officer prepares the proposed budget and submits the data to the Commissioners Court. A public hearing is held on the budget before finalizing it. The Court may increase or decrease the amounts requested by the departments. In the final budget, which is usually adopted in the last quarter of the year, appropriations of the budgeted funds cannot exceed the available fund balances in such funds at October 1, plus the estimated revenues for the ensuing year. During the year, the Court may increase budgeted revenues and expenditures for unexpected revenues or beginning fund balances in excess of budget estimates, provided the Court rules that a state of emergency exists. The legal level of budgetary control takes place at the departmental level. Budgetary transfers between departments cannot be made without Commissioners Court approval.

Amounts reported in the accompanying financial statements represent the original budgeted amount plus all supplemental appropriations.

B. Excess of Expenditures over Appropriations

For the year ended September 30, 2008, expenditures exceeded appropriations for Public Safety by \$245,594. The over-expenditure was related to a contract deputy agreement not having a budget established during the fiscal year. The revenues from this contract were also not budgeted for, but were sufficient to cover 100% of the cost to the county.

C. Budgetary Basis

Fort Bend County budgets for operational and capital activity through the fiscal year budget process for General Fund, Road & Bridge, and other funds. The General Fund includes a multi-year budget that is not confined to the fiscal year ending September 30. This multi-year budget is used to account for projects, capital projects, and grants. The funding for these projects and grants originates from a prior or current fiscal year budget allocation that is then transferred to the multi-year project budget. The schedule below shows a reconciliation of the actual activity in the General Fund on the fiscal year and multi-year budgetary basis to determine the actual net change in fund balance.

| | Actual Fiscal Year | Actual Multi-Year | Total Actual |
|--|-----------------------|----------------------|-------------------|
| General Fund | | | |
| Revenues | \$ 165,724,241 | \$ 12,895,539 | \$ 178,619,780 |
| Expenditures | 144,437,332 | 22,993,473 | 167,430,805 |
| Excess (Deficiency) Revenues over Expenditures | 21,286,909 | (10,097,934) | 11,188,975 |
| Transfers in | 431,150 | | 431,150 |
| Transfers (out) | (8,576,340) | | (8,576,340) |
| Net Change in Fund Balance | 13,141,719 | (10,097,934) | 3,043,785 |
| Fund Balances, Beginning of Year | | | 35,701,557 |
| Fund Balances, End of Year | | | \$ 38,745,342 |

OTHER SUPPLEMENTARY INFORMATION

COMBINING AND INDIVIDUAL FUND STATEMENTS AND SCHEDULES

SPECIAL REVENUE FUNDS

Juvenile Probation

This fund is used to account for the receipts and disbursements of the Fort Bend County Juvenile Probation department. Monies deposited into this fund are received from the Fort Bend County General Fund as well as various state and federal agencies. This includes Fund 150.

Drainage District

This fund is used to account for the receipts and disbursements related to the reclamation and drainage of lands located within the County. Revenues are derived mainly from ad valorem taxes and impact fees assessed against the taxable properties. This includes Fund 160.

Road and Bridge

This fund is used to account for the costs associated with the construction and maintenance of roads and bridges. Revenues are derived mainly from ad-valorem taxes, intergovernmental revenues, and fees and fines. This includes Fund 155.

Lateral Road

This fund is used to account for the receipts and disbursements of funds received from the State that are restricted for constructing new County roads and maintaining existing ones. This includes Fund 165.

County Historical Commission

This fund is used to account for funds donated to the County by private citizens and is to be spent for Texas historical markers. This includes Fund 170.

Utility Assistance

This fund is used to account for the receipts and disbursements related to private and public donations made to Fort Bend County. The monies are to be used to assist Fort Bend County residents that demonstrate an inability to pay their various utility bills. This includes Funds 175, 180, 185, 190 and 340.

County Law Library

The law library fund was created by Commissioners Court pursuant to Article 1702h, Revised Texas Civil Statutes, for the establishment and maintenance of the County Law Library. Revenues are derived from law library fees assessed against each civil case filed in the County Court, County Court-at-Law, and the District Courts, except tax law suits. This includes Fund 195.

Gus George Law Academy

This fund is used to account for the transactions of the school operations of the County Law Enforcement Academy. The program is mainly funded from reimbursements from the State via the Houston-Galveston Area Council. This includes Fund 200.

EMS Donations

This fund is used to account for revenues obtained from donations and fund raising events for the benefit of the ambulance and paramedics department. This includes Fund 210.

Library Donations

This fund is used to account for donations by private citizens used for the purchase of books and equipment for the County library system. This includes Fund 215.

Mission West Park

This fund is used to account for donations received from a developer to be used for park maintenance of Mission West Park. This includes Fund 220.

Forfeited Assets-Task Force

This fund is used to account for the receipts and disbursements of funds awarded by the court and confiscated from drug traffickers. This fund is being used to deter drug trafficking activities in the County. This includes Fund 225.

DWI Video

This fund is used to account for fees collected from defendants for the cost of the equipment used to video-tape the observations of the defendants while being interrogated or tested by the law enforcement officers. This includes Fund 230.

Probate Court Training

This fund is used to account for the collection of certain probate fees to be used for the continuing education of the probate staff. This includes Fund 235.

JP Technology

This fund is used to account for technology fees, not to exceed \$4, collected as a cost of court from defendants convicted of misdemeanor offenses. The fund may be used only to finance the purchase of technological enhancements for a justice court and is administered by the Commissioners' Court. This includes Fund 240.

Juvenile Alert Program

This fund is used to account for fees collected from the parent, guardian, or custodian of a juvenile who participates in the alternative rehabilitation program administered by Juvenile Probation. This includes Fund 245.

Juvenile Probation Special

This fund is used to account for fees collected from the parent, guardian, or custodian of a juvenile who by order of a court, is required to pay the fee. The fees collected may only be used for juvenile probation or correction services or facilities. This includes Fund 250.

District Attorney Asset Forfeiture

This fund is used to account for the receipts and disbursements related to funds from forfeiture of property that is contraband and seized by the District Attorney's office. This includes Fund 255.

District Attorney Bad Check Collection Fee

This fund is used to account for the fees earned by the District Attorney for the collection of bad checks issued in the County. The District Attorney has the sole discretion to dispose of the fees. This includes Fund 260.

Gus George Memorial

This fund is used to account for the receipts and disbursements of funds that were donated to the County in memory of the late Gus George, former County Sheriff. The funds are to be used for law enforcement activities of the Sheriff's department. This includes Fund 265.

Records Management – County Clerk

This fund is used to account for the fees collected by the County Clerk after filing and recording a document in the records of the Clerk's office which are to be used for records management and preservation. This includes Fund 270.

District Attorney Special Fun Run

This fund is used to account for receipts and disbursements from proceeds of an annual fun run sponsored by local merchants through the District Attorney's office. The money is disbursed to Crime Victims Alliance Corporation with Commissioners' Court approval. This includes Fund 275.

County Attorney Salary Supplement

This fund is used to account for funds received from the State to supplement the salary of the County Attorney. This includes Fund 280.

Records Management - County

This fund is used to account for fees assessed and collected in criminal cases to fund records management and preservation services performed by the County. This includes Fund 285.

VIT Interest

This fund is used to account for interest earned on prepayments of vehicle inventory taxes by automobile dealers. The money is held in an escrow bank account by the Tax Collector and the interest is used by the Tax Collector to defray the costs of administration. This includes Fund 290.

Courthouse Security

This fund is used to account for receipts and expenditures related to financing items for the purpose of providing security services for buildings housing a district or county court. This includes Fund 295.

Elections Contract

This fund is used to account for receipts and expenditures related to money paid to the county election officer under an election services contract. As per Section 31.093, Texas Election Code the fund is administered by the Elections Administrator and audited by the County Auditor. This includes Fund 300.

Asset Forfeitures

This fund is used to account for the receipts and disbursements of funds awarded by the courts and confiscated from drug traffickers. These forfeitures are being used to deter drug trafficking activities in the County. This includes Funds 305, 310, 315, 320, 325, and 335.

U.T. Health Science Center Grant

This fund is used to account for the George Video Communications Network for a T-1 line, network connectivity devices and maintenance contracts. This includes Fund 345.

Gates Foundation Grant

This fund is used to account for the grant from the Gates Foundation to purchase computers for the Library. This includes Fund 350.

County Child Abuse Prevention

This fund is used account for fees collected by the County which are used to fund child abuse prevention programs in the County where the court is located. This includes Fund 355.

Law Enforcement Officers Standards Education Grant

This fund is used to account for funds provided to law enforcement officers for Texas Certified Law Enforcement Officers' Standard Education certification to be used for education and training. This includes Fund 360.

Katy Library Appropriations

This fund is used to account for monies appropriated for building a new library in Katy. This includes Fund 370.

Emergency Food and Shelter Program

This fund is used to account for the receipts and disbursements of the funds provided by the Federal Emergency Management Agency which are used to assist those who need assistance in the payment of their food and utility bills in emergency situations. This includes Fund 380.

Juvenile Title IV-E Foster Care

This fund is used to account for federal funds received for eligible juvenile probation children and for administrative costs related to administering the Title IV-E program. This includes Fund 385.

Child Protective Services

This fund is used to account for all monies received by Children's Protective Services ("CPS"). CPS receives money from the County, the State, and from other miscellaneous sources. This includes Fund 390.

Community Development Combined Funds

This fund is used to account for monies received from various housing programs. The majority of monies is received from the U.S. Department of Housing and Urban Development (HUD) and is to be used for housing rehabilitation projects. This includes Fund 400.

HOPE 3 Implementation And Program Sales

These funds are used to account for the Hope 3 Planning Grant money received from the U.S. Department of Housing and Urban Development (HUD) to develop a home ownership program for low and moderate income families. This includes Fund 402.

Child Support Title IV-D Reimbursement

This fund is used to account for monies received for processing child support payments. The amount of receipts depends on the number of child support payments processed. Expenditures from this fund are used for salaries, equipment and other costs related to the processing of child support payments. This includes Fund 410.

Local Law Enforcement Block Grants

These funds are used to account for federal funds that are to be used by county law enforcement agencies for the purpose of purchasing technological equipment and to assist the agencies in their overall operations. This includes Fund 415.

Grant Administration

This fund is used to account for grant monies received from various state, federal, and local agencies. The programs accounted for in this fund do not require separate accountability. This includes Fund 420.

Juvenile Justice Alternative Education

This fund is used to account for amounts received to be used as start-up costs for a juvenile justice alternative education program. If funding exceeds start-up costs, the excess may be used for other costs incurred in operating the program. This includes Fund 425.

Juvenile Probation - State Funds

This fund is used to account for revenues received from the Texas Juvenile Probation Commission ("TJPC"). The funds must be disbursed in accordance with TJPC regulations. The probation cases are usually non-aggravated in nature. This includes Fund 430.

Adult Probation - Supervision

This fund is used to account for Adult Probation revenues and fees received from probationers and funds received from TAPC for regular probation cases. The funds must be disbursed in accordance with TAPC regulations. This includes Fund 440.

Adult Probation - Diversionary Program (DP)

This fund is used to account for State funds known as DP funds. This fund combines the Pre-Trial, Non-English, and Sex Offender programs. This includes Funds 441, 442, and 443.

Adult Probation - Community Corrections Program (CCP)

This fund is used to account for State funds known as CCP funds. The fund combines the following programs: Mental Impairment, Substance Abuse, Day Reporting, Drug Court, and Progressive Sanctions.. This includes Funds 447, 448, 449, 450, and 451.

Adult Probation - Treatment Alternative To Incarceration Program (TAIP)

This fund is used to account for State funds known as TAIP funds.. The purpose of TAIP is to provide referred offenders with screening, evaluation, assessment, referral, and placement into a licensed and approved chemical dependency program. This fund combines the TAIP and Rider 84 programs. This includes Funds 444 and 452.

CAPITAL PROJECTS FUNDS

Drainage District Capital Projects

This fund is used to account for the receipts and disbursements related to the construction or improvements of various flood control projects, including Clear Creek, Big Creek, Upper Oyster Creek, and Lower Oyster Creek. This includes Funds 700, 702, 706, 708, and 710.

Capital Improvements

This fund is used to account for the receipts and disbursements related to the construction or purchase of a property or facility of the County. This includes Fund 704.

Joann / 5th Street Project

This fund is used to account for the receipts and disbursements related to the improvement of Joann/5th Street. This includes Fund 712.

Grand Mission Crossing

This fund is used to account for the receipts and disbursements related to the construction of a railroad crossing. A developer provided financing. This includes Fund 714.

Library Building

This fund is used to account for the proceeds of the Library Permanent Improvement Bonds Series 1990 which are to be used primarily to finance the construction of two branch libraries and the renovation and improvement of two existing libraries. This includes Fund 720.

Travis Building Renovation

This fund is used to account for the receipts and disbursements related to the renovation of the Travis Building to improve space utilization. This includes Fund 722.

Fort Bend Parkway

This fund is used to account for the receipts and disbursements of the proceeds of the Fort Bend Parkway Road District Unlimited Tax Bonds Series 1990 which are being used to pay administrative, engineering, and environmental assessments and other operational costs associated with the design of the parkway project. This includes Fund 724.

Fort Bend Flood Control Water Supply Corporation (FBFCWSC) Oyster Creek Construction Drainage Projects

This fund is used to account for the receipts and disbursements related to the proceeds of the issuance of Revenue Bonds for the construction of drainage facilities located along Oyster Creek within the County. This includes Fund 726.

Fort Bend Flood Control Water Supply Corporation (FBFCWSC) Big Creek Phase II Drainage Projects

This fund is used to account for the receipts and disbursements related to the proceeds of the issuance of Revenue Bonds for the construction of drainage facilities located along Big Creek within the County. This includes Fund 728

Bates Allen Park

This fund is used to account for the receipts and disbursements related to the construction of a County park. The project is being funded by a grant from the Texas Department of Wildlife. In addition, approximately 235 acres of land were donated to the County to be used for the park. This includes Fund 730.

INTERNAL SERVICE FUNDS

Employee Benefits

This fund is used to account for allocations from various county budgets and employee contributions to administer the self-funded medical/dental benefits plan.

Other Self-Funded Insurance

This fund is used to account for allocations from various county budgets to administer the self-funded workers' compensation plan, unemployment insurance administered through Texas Association of Counties, and property and casualty insurance.

FIDUCIARY FUND

Agency Fund

These funds are used to account for collections and disbursements of court costs, fees, fines, and other funds due to other entities for which the county serves as the fiscal agent.

Capital assets increased materially (\$264 million) from 2001 to 2002 as seen in the schedule in the statistical section that shows capital assets by function for the last ten years. This change is related to the inclusion of county infrastructure (roads, bridges, and right-of-way) in this schedule in 2002. This inclusion was prompted by the need to implement GASB statement 34 in 2003. In anticipation of this requirement, the county identified and captured the value of infrastructure one year in advance.
