

Fort Bend County Emergency Medical Service

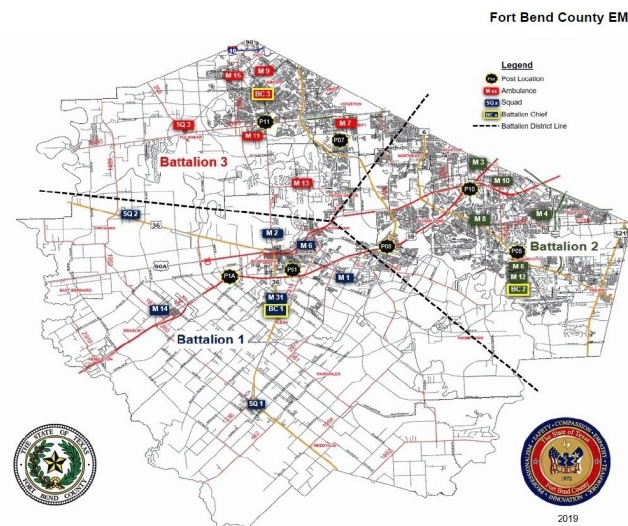

Mobile Intensive Care Unit (MICU)

- Type –I Ambulance: Using a Dodge truck chassis and a customized module, the MICU has the capability of treating up to two patients with lifesaving equipment and medications. Cost for an equipped MICU is close to \$235,000.00

Squad

- Squad: Using SUV's, Squads are equipped with much of the same equipment and supplies that an MICU have on board. Squads are positioned in rural Fort Bend County and act as quick response vehicles to provide Advanced Life Support prior to the arrival of an MICU. Cost of an equipped Squad vehicle is over \$80,000.00

Fort Bend County Emergency Medical Service, modeled as a government third service agency, handles only 9-1-1 emergency responses. Working alongside numerous volunteer and municipal fire department first responders, City of Sugar Land Fire/EMS, Community Volunteer Fire Department, and the City of Katy Fire/EMS, the citizens and visitors of Fort Bend County receive Prompt, professional and coordinated pre-hospital emergency care.

Vision

As an integral part of Fort Bend County Government, provide for the highest level of prehospital advanced life support emergency care based on the most current medical science and driven by operational and administrative efficiency, professionalism and conduct.
