Hiring Process

Written Evaluation

This examination covers the written knowledge objectives published by the U.S. DOT National Standard Curriculum and the Department of State Health Services for the EMT-Paramedic.

Practical Skills Evaluation

After successful completion of the written evaluation each applicant will be evaluated on their practical skills. The skills criteria will follow published objectives from the National Registry of EMT's and the American Heart Association.

Interview

After the candidate has successfully completed the written and practical evaluations, an interview will be scheduled. The interview is conducted between the applicant and an interview panel.

Work History / Background Check

FBC EMS will investigate previous employment history and reference checks provided by the applicant. Fort Bend County Human Resources will conduct a criminal history background check on all EMS applicants.

Physical Exam & Drug Test

Qualified candidates will be offered a conditional job offer. The applicant will schedule a county provided medical exam and drug test. Pending outcome of drug test and physical exam, the applicant may be offered employment.
